## PREFACE.

---

IN this Twenty-fifth Annual Volume, we re-produce the portrait of Dr. Hindley Chairman of the Union—the one given last year being very unsatisfactory. Though several portraits are given, we hoped to have secured a larger number.

We are pleased to be able to say that every copy was taken up last year; the Editor had to buy back a copy for his fyle. We hope, as times get better, an increasingly large edition will be required every year. We thank the various Secretaries for their promptness, in furnishing the YEAR BOOK with their Reports; and we are glad to say, we had much less trouble than formerly, in deciphering penmanship. The “Schoolmaster is abroad,” in Canada as elsewhere.

The only part, entirely unsatisfactory to ourselves, is the List of Congregational Ministers in British North America. There are so many changes, and pastorless churches often so careless in sending any word about new settlements, that even an official Committee of the Union for that purpose would not be able to have the list “up to date.” We cannot leave everything to the last moment; but a number of corrections and omissions are noted on the page facing this Preface.

Could not our friends, for another year, sends us in a number of Advertisements of unexceptional character, desiring a wide dissemination? The YEAR BOOK is found, as a constant book of reference, in many hundred widely separated families. Rate, \$6 for an inside page.

WILLIAM WYE SMITH.

We have taken much pains in making the above summary full and correct, supplementing the carelessness of a number of churches in Ontario, Quebec and the North-West (some of them large and important), in not sending in returns, by adding the figures of last year.

Adding to this, as was done for the last ten years, 166 stations known to be supported by individual churches, a total is reached of 4,607." From the respective *Year Books* of the Scottish "Congregational Union" and "Evangelical Union" (now united in one body), we have 190 churches. Ireland, 123 churches and preaching stations. Following these authorities, we have a total for the British Isles of 4,920 churches and mission stations.

## IX. SWEDEN AND NORWAY.

About 400 churches in these countries are formed on the Congregational model. Membership over 100,000. The largest Independent meeting-house in the world is in Gothenburg, and seats 5,000. There has also been a marvelous extension of free churches, on the Congregational model, in Denmark, within the last few years ; set in motion by a Scandinavian who had been deeply interested in Moody's work in Chicago.

## X. AFRICA.

The Congregational churches in South Africa are grouped under the Unions of Natal and South Africa. In Natal there are 17 pastors and ordained missionaries, and (exclusive of stations among the heathen) 33 churches and preaching places. In South Africa there are 176 churches and stations, and 60 ministers, 4 of them without pastoral charge.

Day-schools, 4,600. These churches raised and expended for their own work, £94,237. Since then, the French occupation has had a bad effect on the Protestant missions. Many arrests have been made, and much mission property seized. During the present year, 90 buildings, which had been seized by the Jesuits (nominally for Government use), have been restored by order of the authorities ; and while Popery is being widely introduced, it is hoped Evangelical Christianity has such a foothold in the country as to flourish, even under the adverse circumstances into which it has fallen.

#### XV. HAWAII.

These islands contain about 60 Congregational churches, with a membership of 7,000. The Theological Institute at Honolulu educates ministers both for the home and foreign field. These islands have, within sixty years, been so entirely Christianized, under the efforts of the American missionaries, that now the Hawaiian Evangelical Association sustains missionaries on the Marquesas and Gilbert Islands.

## Obituary.

---

THE Obituary of the year includes six ministers and three ministers' wives. Three of the six ministers died in the United States; and one of the ministers' wives. We have indeed a close connection with the nation to the south of us. While welcoming the very considerable number of most excellent brethren in the ministry we have among us, from the United States, there are no fewer than twenty-seven out of our 140 college graduates at present laboring in that country.

### REV. ALEXANDER S. McLEOD.

The only pastoral charge, so far as we are aware, which Mr. McLeod had among us, was one year at Listowel, where he was ordained in 1888; having graduated from the C. C. College, Montreal, the year before. For two years he had charge of the Camp Memorial Church, New York; relinquishing that in 1894, and thereafter living there without charge; and sunk away under the malady of cancer in the stomach, on 25th March, 1896, aged 38. A kindly man; and kindly remembered.

### REV. WILLIAM HENRY ALLWORTH.

Mr. Allworth was born in Westbury, England, March 18th, 1818; and was consequently 78 years old at the time of his death. Of the circumstances of his early life, or his conversion, the Editor has never been informed. Coming to this country early in life, he went through the four-years course in theological study in the "Congregational Institute," Toronto, afterwards the "Congregational College," Montreal, under the late Dr. Lillie, and graduated therefrom in 1845; his name standing "13" in the now somewhat long list of graduates. He was

seven years at Port Stanley; five years at Barton, near Hamilton; five years in Markham; and then his most important pastorate of 18 years at Paris, Ontario. Here he might have continued to labor, had his son not started a weekly paper in the town, and the father become mixed up with some strong political articles which probably he had nothing to do with. However, he thought it best to resign; and after a couple of short pastorates, he went to Michigan, where his eldest son, Rev. John Allworth, and his son-in-law, Rev. William Ewing, were already laboring. Two short pastorates in Michigan; and then he quietly made his home with his only daughter, Mrs. Ewing.

Mr. Allworth was, from the first, very Arminian in the cast of his theology. Had he been in Scotland, he would have been in perfect accord with the Evangelical Union people. To the surprise of most of us, he resigned his membership in the Congregational Union in 1868, after the unfortunate "Synod of Dort" held in Hamilton that year—because he judged that the Union was Calvinistic, and merely tolerated those of the other school; and it was not till some years afterward, when he was satisfied that the *right* of the one school to membership was as clearly defined as the other, that he came back into membership. He was a man of commanding presence, with florid complexion and beard; free of utterance; more anxious to convince you than to polish the sentences by which the convincing was done; much devoted to his family, with one of the "wise women" of the world for his wife; generous and hearty; with an open hand, and a spare corner at his table, at all times. His memory is fragrant wherever he labored; and his translation was like that of some of those Old Testament prophets he so much resembled. He had been speaking at a prayer-meeting; and giving some earnest warnings about what he believed to be dishonest treatment of the Scriptures at the hands of some of its professed friends, when, having closed his remarks, he seemed to be looking for a chair, when two friends sprang forward to assist him. They placed him in a seat, but the spirit, even already, had fled. He had looked upon God's face, and the reflection was left in his own, but he "was not" for God took him. This was on the 29th of October last, 1896, at Lansing, Michigan. Mr. Allworth in 1866, was honored by his brethren in being placed in the chair of the Union for that year.

## REV. WILLIAM HAY.

Mr. Hay was born in the town of Perth, in the Province of Ontario, on 16th of January, 1822. His parents were Scotch, having emigrated in 1820. In 1837 the family looked out for "better land," and settled in Warwick Township near Lake Huron. Under the preaching of Rev. Leonard McGlashan, one of the earliest graduates of the "College," our subject, still but a boy, was converted, and began to turn his thoughts toward preaching the Word. The church at Warwick—wiser than many churches since—would not recommend him to the College without first seeing some aptitude for soul-saving in the candidate; and their way of coming at it, was for him to preach a sermon before the church. With a good deal of trepidation, he went through the ordeal, and succeeded in gaining the recommendation. Another ordeal awaited him: a committee of examiners, fortified by Rev. Samuel Martin of England, then on a visit to this country. One of the five examiners said, "The Candidate's statement of theological belief was rather loose-

jointed!" a remark which Mr. Hay, many years after, told the present Editor, "he fully agreed with." Yet in after days, no one was clearer or more outspoken than Mr. Hay, on

The wideness of God's mercy,  
Like the wideness of the sea,

in giving his Son to die for the whole race. He studied with Allworth, and Fenwick, and Cunningham Geikie, and Clarke, and Wickson, and Marling, and graduated in 1847. In the Autumn of the same year, he began his life-work in the village of Scotland, ten miles west of Brantford. Here, with the short interval of nine or ten months in Belleville, he wrought on for well-nigh half a century; a father and patriarch among his people. Said the *Canadian Independent*, in 1889, "Children out of his Sunday School are filling important positions all over the Dominion and the United States. In other cases he has baptised the grand-children of those he dandled on his knees more than forty years ago." Mr. Hay was elected Chairman of the Congregational Union for 1863.

He believed in revival work, and had some wonderful successes on his field. Sixty new members in 1852, nearly all new converts, in Scotland; and sixty converts at Burford in 1858. In the Union, he was always on some of the hard-working standing committees.

In 1894, after 47 years service, he resigned; having the pleasure of seeing an active young brother, Rev. J. K. Unsworth, on the ground and ready to go on with the Lord's work. The relationship was like as of a father and son; like Paul and Timothy.

He still continued to reside among the people he had loved so long. He grew gradually weak and frail; and passed away on his 75th birthday, 16th January, 1897.

### REV. JOHN CAMPBELL.

Rev. John Campbell came to the Congregational College from the County of Glengarry, Ontario, being, like nearly all in that region, Highland Scotch. He graduated in 1855, and, when not at home on his farm in Arran Township, County Bruce, was travelling as a Colporteur for the Bible Society. We remember meeting him thus in Lower Canada, many years

ago. Of the particulars of his death, which took place at Port Elgin, on Lake Huron, during the present year, 1897, we have not, up to the time of writing, learned.

REV. JAMES SHIPPERLEY.

Rev. James Shipperley was one of the Nova Scotia pastors who gave his whole heart to the work of God in those provinces. His careful digests of the "State of the Churches" in Nova Scotia and New Brunswick, have been a feature in the *Year Book* for some years past. He will be greatly missed and lamented, down by the sea! He died at N. E. Margaree, in the Island of Cape Breton, on 23rd June, 1897. We greatly regret that at the time of going to press we have no further information.

REV. JOSEPH GRIFFITH.

The announcement of the death of Rev. Joseph Griffith, of Copenhagen, N. Y., on Feb. 8th, will come with a pang of

deepest sorrow to his many friends in Canada by whom his memory is cherished with kindest feelings. Born in Wales 53 years ago, Mr. Griffith graduated from our College in Montreal in 1873, and if we mistake not, Cobourg was his first pastorate. Garafraxa and Belwood next united in extending him a call, and there he ministered for three years, and then to the great regret of all, resigned, that he might accept an invitation to the pastorate of the First Church, Hamilton. After laboring in this field for some time, a call from Sandy Creek, N.Y., took him from our Canadian work. In giving the intimation of his death, the *Boston Congregationalist* states that his pastorate of six years at Copenhagen was "specially successful," and further adds that "He was a quiet man, but of unusually acute intellect and large information."—*Congregationalist and Canadian Independent*.

#### MRS. JOHN MORTON.

Mrs. Agnes Morton, (*nee* Pettigrew,) was born near Glasgow, Scotland, in 1844. In 1849 the family came to Oxford County, Ontario. She was well trained in a Christian family, and well educated; and in 1871 married Rev. John Morton, and went with him to Scotland, where for twelve years he labored in connection with the Evangelical Union. In 1882 they came to Canada with their young family of three boys, and Mr. Morton became the pastor of the First Congregational Church in Hamilton. Here for fourteen years Mrs. Morton lived the life of a humble useful Christian, diligent in all that pertained to the Kingdom of God, and exemplary in every home duty. Never robust in constitution, she gradually weakened; and after many months of suffering as an invalid, was released on Sabbath morning, 25th October, 1896, surrounded by her family, and calmly trusting in Christ.

#### MRS. B. B. WILLIAMS.

On 29th March, 1897, Mrs. Williams, wife of the pastor of the Congregational Church in Guelph, Ontario, passed away from this life. She was one of those motherly Christian women whom every young man revered, and to whom the

elder ones respectfully listened; full of work and plans for widening Christ's Kingdom; and, failing the blest opportunity of entertaining Christ in the flesh, ever made welcome to her home every true servant of the Great Master. Her memory is fragrant, where for seven years she went in and out in the Guelph Church.

### MRS. GEORGE WILLETT.

Rev. George Willett is one of Rev. William Hay's "boys," from Scotland, Ontario. During his college days, he supplied for (we think) two summers, the Church at Eaton, Quebec, so long ministered to by Rev. Mr. Sherrill. Here he met Miss Hannah Hill, who afterwards became his wife. After trying the work in Canada for a few years, and becoming more and more unfit for it, Mr. Willett went to California, in hopes that his life might be prolonged in that more equable climate. To the surprise of us all, he has been divinely supported to go on with his work there for nearly two decades, and now comes the startling news of his wife's death. She died from *appendicitis*, after only two days' illness, on June 1st, 1897, at Whittier, California.

There had been quite a gathering of Canadians at the Memorial Service. Our brother, Rev. George Robertson, says, in the *Congregationalist*, "The Rev. E. R. Brainerd addressed the people on *Mrs. Willett's influence in her home*; Mrs. Dr. Thomas, a member of the Church, spoke with deep feeling of her *Influence in the Church*; Mrs. Esther Hiatt, a Quakeress, bore affectionate testimony to her *Influence in the Community*. Mr. Robertson addressed the people on *Canadian Memories of the Deceased*, and preached in the evening on *God's Peculiar Treasure*. Her's was a beautiful life, as those of us who knew her in her father's house, and in her Canadian home, can well testify. She leaves three boys behind her, the eldest now of age."

## THE UNION OF 1897.

[EDITORIAL.]

HE Union for 1897 was held in the First Church, Kingston, at the foot of Lake Ontario; "The Limestone City." Our cities are dropping into the United States fashion of attaching a fancy name to themselves: Toronto, the "Queen City"; Hamilton, the "Ambitious City"; London, the "Forest City"; Guelph, the "Royal City"; Stratford, the "Classical City"; St. Catharines, the "Garden City"; Chatham, the "Maple City"; and many more only yet choosing their fancy title.

The attendance was fair; some churches unaccountably unrepresented. This is a mistake which churches should guard against.

## THE DEVOTIONAL HOUR.

At nine every morning, the devotional hour began. The brother to conduct it was named the day before; except that on the first day, Prof. Warriner, at the instance of the Standing Committee of the Union, took the chair. And every morning the thoughts of the members were led in some special direction of spiritual truth from the chair. This has been more noticeable for one or two years past, than formerly. It is good: though a leader should never under any circumstances, take up more than fifteen minutes of the hour in his "address." Quite a number of vital spiritual points were thus brought up, and talked and prayed over, in these meetings.

## TWO BROKEN AFTERNOONS.

Wednesday, 9th June, was vacant in the afternoon, as far as regarded any meeting of the Union as such. It was a complaint, in former days, that the chief committees—notably the Home Missionary Committee—would be in session in some other room, while the "Union" was going on: thus weakening the attendance and interest of the larger meeting. To obviate this

as far as possible, the afternoon of the first-day has been given up to Committee-work.

And on Saturday, after a pretty faithful attendance three days and three nights of work, we all felt like taking a "half-day off!" So an excursion on the fine paddle-wheel steamer "America" had been arranged for; and complimentary tickets were issued to all the members and delegates of the Union; which also—through the kindness of Alderman McKelvey—included "tea" on board. We called at Gananoque, [it is an Indian name, and the *ue* is vocal; the accent on the third syllable;] both going and returning, and headed up the blue St. Lawrence again, away among the islets and summer-residences of Alexandria Bay. An invigorating and delightful trip among the "Thousand Islands"!

#### THE SOCIETIES.

The Home Missionary Society had made grants to weak churches \$704 in advance of the year before. The income from the contributions of the churches was unsatisfactory; and \$140 less than the previous year. Help was asked to plant two churches in the mining district of British Columbia.

Both the Foreign Missionary Society and the Woman's Board said much of the Canadian Mission at Cisamba, West Central Africa. Mr Currie and his three lady-coadjutors were carrying on a grand work there. And a much-needed and long-prayed-for Medical Missionary is expected to be sent next year. The Woman's Board did a noble thing—and one that removes every possible ground of criticism—in giving \$600 to the Home Missionary Society. And besides, they are taking the Swedish and Norwegian Mission at Witaskiwin, in Alberta, under their care.

The College was rejoiced with the presence among us of Rev. Dr. George, of St. Louis, U.S.; who during the meetings, intimated his acceptance of the post of Principal, vacant by the retirement of Dr. Barbour. A vigorous effort to increase the Endowment Fund by \$60,000 more was made; Mr. H. S. C. Miner, of Granby, Que., intimating that he would be good for the last \$15,000 of the amount.

The Provident Fund—too much neglected by the churches: let the hint suffice—had one fewer widow on the list, and one more retired pastor: a Society needing steady annual contributions, to enable it to do its beneficent work.

The Publishing Company appealed for more subscriptions to the weekly organ of the churches, *The Congregationalist and Canadian Independent*. The present list of about 1000 ought to be at once doubled. About 160 new subscriptions were guaranteed.

#### THE CHAIRMANSHIP.

To the deep regret of every member, Rev. Dr. Hindley, Chairman for 1897, was unable to attend. A wasting disease has been hanging round him for some years, and has lately assumed a more threatening attitude; and he was seeking rest and recuperation at a farm near Fergus. He had however, forwarded a type-written "Address from the Chair," entitled "A Word of Cheer," by his son, the Rev. W. J. Hindley: who was requested by the Union to read the same. It was well read; and (with some little dissent, as all outspoken utterances will have,) well received.

Prof. Warriner, of Montreal, himself a former Chairman of the Union, was nominated by the "Union Committee" as temporary Chairman; and the Union so voted: and then on Thursday, 10th June, the election of a Chairman for 1898 took place. Vote by ballot, without nomination. Our brethren are too squeamish in these matters. They do differently in England. We act as if we thought it was highly improper to suggest or canvass names or claims for the Chairmanship of the Union. No whisper is ever made in our periodical of any "coming man"; and young members, and many delegates who are not young, vote at a mere random. Yet a system which is open to criticism, left no room for criticism in its results this year. Rev. William McIntosh of Ottawa received a plurality on the first ballot, and a majority of the whole votes cast on the second ballot: and was declared the choice of the Union as Chairman for 1898.

#### AMALGAMATION.

There seems to be something of weariness over this question; and not much time was occupied with it. The recommendation of the Joint Committee was adopted: which provided for—not amalgamation—but a closer representation of the various Societies: and to make delegates to the Union *de facto* delegates to the various Societies. Ardent friends of the "amalgamation" party were disappointed.

mation" scheme look upon this as a step toward that result; others as a final deliverance on the subject.

#### UNITED STATES VISITORS.

We were favored with several visitors from the United States: Rev. W. G. Puddefoot, of Michigan; Rev. Dr. Daniels of the "American Board," Boston; Rev. A. K. Wray, of Missouri; Rev. John Allworth, of Michigan; and Rev. Dr. George, of St. Louis. Mr. Puddefoot inspired us; Dr. Daniels gave us facts: Mr. Wray was an international sunshine; Mr. Allworth made us exactly feel twenty years younger; Dr. George claimed and proved he was a brother to us. The Union of 1897, like many a previous Union, was brightened and cheered by these "beams from the south."

#### THE WOMAN.

Since that memorable Union in Montreal, where the "Union Report" (which pronounced against the admission of women as delegates,) was amended in open meeting—the present writer wrote and read the Report, though he voted against it in Committee—down to the present, women have been coming more and more to the front with us. This year, we asked them to conduct one whole forenoon meeting—Friday, June 11th. Mrs Macalum, President of the Woman's Board, presided. Some brethren, who add an "eleventh" commandment to the code—"Be polite," were troubled how to address the chair. Most said "Madam President"; but as we have no "President" in the Union, the English way of calling the presiding officer "Chairman," whether man or woman, will probably come into vogue. Have we not already "Bachelors of Arts" among our women? Six of the women gave clear and strong expositions of different phases of Christian work. The forenoon was a profitable one: and the Union, which can be depended on to "know a good thing when it sees it," will make use of the light gained this year.

#### THE LUNCHEONS.

Thursday and Friday found us, at the noon-hour, in the Committee rooms of the First Church, tastefully entertained at luncheon. With a kindly care for each others' feelings, the ladies wished us to understand, that though in the premises of

the First Church, (the Union meeting there,) the luncheon was an offering of friendship from the Three Churches of the city; First Church, Bethel and Calvary. It gave us each day two more hours of fellowship with one another, without fatigue or weariness.

#### ONE DAY MORE.

We remained in session one day longer than in former years. Tuesday and Tuesday evening, gave us time to take up some loose ends of business and discussion: as well as to throw the concluding meeting into a patriotic shape, as befitted the year and month of the "Diamond Jubilee."

In 1892, at Montreal, some of the papers undertook to embellish their reports of the Union with portraits of a dozen or so of us—awful "charcoal sketches"—and Mr. Hill was so hilarious over the illustrations, that in his concluding string of "thanks" to be voted on, he made the former long dreary "whereasses" so short, sharp, witty and conclusive—that the good example has become an heirloom of the Union; and the chairman of the Business Committee this year, Rev. J. T. Daley, fully maintained our traditions in a broadside of votes of thanks, every shot of which went straight to the mark! Some were cheered and cheered again—as the ladies, and the luncheons, and the organist, who had so delighted us.

#### IN THE HOME.

The Billetting Committee were courteous and successful. And in the homes where the Ministers and Delegates were entertained, there was much opportunity of not only showing Christian character and bearing, but of talking of the things of the kingdom. The two sermons at the place of meeting, that of Rev. William McIntosh in the morning, on being *Witnesses for Christ*, and that of Dr. Evans in the evening, on "Prove all things; hold fast that which is good," were well fitted to encourage Christians in well-doing. There are many disciples in Kingston; and we all hope our visit at the Union was as inspiring and helpful to them as it was to us.

I.—That the name of this Association be “THE CONGREGATIONAL UNION OF ONTARIO AND QUEBEC.

II.—That it shall consist of Congregational or Independent Churches, and of ministers of the same church order who are either in the pastoral office, or (being members of Congregational churches) are engaged in evangelistic or educational service, approved or received at a general meeting, and those laymen who have been Chairmen of the Union and are members in any of their churches.

III.—That this Union is founded on a full recognition of the distinctive principles of Congregational churches, namely, the Scriptural right of every separate church to maintain perfect independence in its government and administration, and therefore, that the Union shall not assume legislative or administrative authority, or in any case become a court of appeal.

IV.—That the following are the objects contemplated in its formation :—  
1. To promote evangelical religion in connection with the Congregational denomination. 2. To cultivate brotherly affection and co-operation in everything relating to the interests of the associated churches. 3. To establish a fraternal correspondence with similar bodies elsewhere. 4. To address an annual or occasional letter to the associated churches accompanied with such information as may be deemed necessary. 5. To obtain accurate statistical information relative to the Congregational churches throughout the British American Provinces. 6. To hold consultation on questions of interest connected with the cause of Christ in general.

V.—To promote the accomplishment of these objects, and the general interests of the Union, an annual meeting of its members shall be held, each of the associated churches being represented by two lay delegates; the meetings to be held at such time and place as may be appointed at each annual meeting.

VI.—That the Officers of this Union be a chairman, secretary-treasurer, statistical secretary, minute secretary and committee, all to be chosen annually from its members, who shall execute the instructions of the Union, and prepare a docket of business for the annual meeting.

VII.—That alterations may be made in this constitution at any annual meeting, providing that notice of such alterations has been given at the meeting next preceding.

## STANDING RULES.

1.—Applications for admission to the Union, whether by churches or ministers, should be made in writing; and after having been read to the Union, shall be referred to a standing committee on membership. Churches so applying shall present the written recommendation of three members of the Union. Ministers bearing regular letters of dismissal from a kindred Congregational organization, and those who furnish evidence of having completed a course of study in the Congregational College of Canada, and having been ordained to the ministry, may be received at once on these grounds. Other ministers shall be required to bring proof of (1) their membership in a Congregational church; (2) their ordination to the ministry; (3) if they have come from any other denomination, their good standing therein; and they shall satisfy the membership committee in relation to their literary acquirements, and their doctrinal and ecclesiastical views. (4) Should the membership committee be satisfied on these points and recommend the applicant for membership, the recommendation shall be filed with the secretary, and the application and recommendation shall then lie over until the next annual meeting, when a two-thirds vote of the members present shall be requisite for admission into membership.

2.—The Union shall meet annually on the Wednesday after the first Sabbath in June, at 9 a.m., when, if the elected chairman be absent, a chairman *pro tem.* shall be chosen. After a devotional service, minute secretaries and reporters shall be appointed, the Report of the Committee presented, and the Standing Committee on Business, Membership, Nomination and Finance, chosen on nomination by the Committee of the Union. At 11 a.m., the Union will rise, to give place to the Canada Congregational Missionary Society.

3.—On Wednesday afternoon the Union will hold no public session in order that time may be given to the work of several committees.

4.—The Chairman's address shall be delivered on Wednesday evening.

5.—On Thursday morning the Chairman for the next year shall be elected by ballot without nomination. Ballot papers shall be furnished to all members of the Union present, if required; and the votes shall be counted by scrutineers appointed by the chairman. If no candidate have a majority of the votes cast, the names of two persons having the highest number shall be reported, and another vote taken. The Union will adjourn at 11 a.m. on Thursday, in favor of the Canada Congregational Missionary Society.

6.—The meetings shall be daily opened and closed with prayer; the morning devotional exercises to extend to an hour.

7.—No motion shall be discussed unless seconded; no member shall speak twice to the same motion without permission from the chair, and every motion shall be presented in writing by the mover, if required by the chair.

8.—The members of the Union shall register their attendance with the Secretary in a book kept for this purpose. The minutes of the preceding day shall be read at the opening of each day's session, and the minutes of the last day at the close of the session.

9.—The church in whose locality the annual meeting shall be held, shall be requested to celebrate the Lord's Supper in connection with such meeting.

10.—On Monday evening, during the sitting of the Union, a public meeting of the Union shall be held, the programme of which shall be arranged by the Union Committee,

11.—Application shall be made by the Statistical Secretary, one month at least before the annual meeting, for statistics of the several churches, and a brief narrative of the state of religion among them, that he may prepare a condensed narrative of the whole for the annual meeting, and for publication, if so ordered.

12.—A collection for the funds of the Union shall be made annually in each church, on or near the Lord's Day prior to the meeting. From this source, the Finance Committee, after providing for other necessary expenses, shall pay in full, if possible, the travelling fares of its ministerial members (provided always that no member of the Union whether ministerial or lay, attending the meetings, shall receive anything for travelling expenses, unless such ministerial member shall have contributed not less than one dollar, and the church represented by the delegate not less than five dollars to its funds); or if unable to pay in full, shall deduct from the claim of each, such equal amount as may be found necessary; such payment shall not be made until after the final adjournment, except with leave of the Union.

13.—The delegates from the Union to corresponding bodies, who may fail to fulfil their appointment by personal attendance, shall address these bodies by letter, communicating in substance such information and sentiments as they would furnish if they were present at their annual convocations.

14.—All supplies of pulpits required during the Sunday in which the Union is in session, which are not otherwise provided for, shall be filled by the Nomination Committee in connection with the pastor of the church where the Union is held, and a copy of such appointment shall be posted on the door of the church where the Union is assembled.

15.—In order to facilitate the introduction of properly accredited preachers to churches connected with this Union which may require pulpit supply, the secretary is authorized to send to secretaries or pastors of churches a list of preachers; but on the understanding that only the names on the list shall be of those. 1. Who are pastors of churches in connection with the Union. 2. Who have been students of the Canada Congregational College, and who have left that institution with the confidence of the College authorities. 3. Who are carrying on their studies at the College, but who are certified by the Principal or Secretary as qualified to undertake preaching engagements. 4. Who have been pastors connected with the Union, and who are still members of the churches of the Union. 5. Who are recommended by a District Committee. 6. Who are accredited by the Congregational Union of Nova Scotia and New Brunswick, England and Wales, Scotland, Ireland and the British Colonies, or by any Local Association, or National organization in the United States of America. 7. Lay preachers and evangelists accredited by any District Association.

Rev. J. P. Gerrie then read the report of the Union Committee, as follows:—

## FORTY-FOURTH ANNUAL REPORT.

### SALUTATIONS.

Your Committee would express the pleasure of the Union in again meeting at Kingston after an absence of seven years. We are impressed with the fact that the pastors of the three churches of this city at the time of our former gatherings, are now in other fields of labor. Especially would we mention the removal of Rev. S. N. Jackson, who was for seventeen years the honored pastor of the church with which we meet. We have already wished him God-speed in his new pastorate, and would pray for his successor, Rev. A. W. Richardson, and his fellow pastors in this city, the continued blessing of God. Under their leadership, we trust that Congregationalism may become a greater power than ever in doing the work of our Master in the City of Kingston.

### THE WORK OF THE YEAR.

Your Committee believes that the year has been marked with more than usual prosperity among the churches. Gratify-

ing additions to the membership have been announced from time to time, and these, as a rule, have been from the regular work of the churches. The financial reports, as submitted at the annual meetings, were on the whole encouraging, considering the commercial depression of the times. The Associations of the year were also more than usually successful, as the records of the two in the west, the three in the centre, and the two in Quebec have shown. Reviewing the work of the year, your Committee believes that the Union can joyfully raise its Ebenezer at the present gatherings.

#### THE AMALGAMATION OF OUR SOCIETIES.

The "Amalgamation Scheme," which has been before the Union for several years, will be again presented by the Committee which has been considering the matter. We would recommend that the Union consider the question on Saturday morning, and would express the hope that something practical may be the outcome.

#### CHURCH UNION.

It is gratifying to state that the Union of the Congregationalists and the Evangelical Union of Scotland is now an accomplished fact. On the first Sunday of the present year these two denominations united for the service of Christ beneath the banner of Congregationalism, and already the fruits are apparent in the strong united front that is presented for the spread of Christianity. The first annual meeting of the united denominations was held a few weeks ago at Edinburgh, and demonstrated the fact that Congregationalism is the common meeting ground of the servants of Jesus Christ, and that on this ground the yet wider Church Union of the denominations will take place. Upon this question, as well as upon a memorial from the Quebec Association, the Committee on Church Union no doubt will be prepared to report.

#### TEMPERANCE.

The year has been a memorable one in the temperance cause. The Manitoba Legislature has re-affirmed its allegiance to the principles of Prohibition. The Ontario Legislature,

though not giving all that ardent temperance advocates were led to expect, has yet added a number of very restrictive clauses to the Provincial License Act. Other Provinces, too, have taken steps in the same direction. And now it is to the Dominion government that the advocates of prohibition are directing their attention. It is fitting that the Union should make some declaration in connection with the coming plebiscite. The report of the Temperance Committee will doubtless deal with this, as well as with other movements of the year.

#### SUNDAY OBSERVANCE.

The question of Sunday observance has also been one of the interesting topics of the past twelve months. In Quebec a Provincial Alliance has been formed, similar to the Lord's Day Alliance of Ontario. In the latter Province, the Alliance carried on an unsuccessful suit against the Hamilton Street Car Company for violation of the Ontario Lord's Day Act. This was followed by an appeal to the Provincial Premier for more stringent legislation in connection with Sunday cars, the outcome of which is their prohibition in municipalities where not already in operation. In view of the arranged-for submission of the question to the popular vote of the citizens, Toronto was, of course, excepted. The result of that vote was by a small majority in favor of Sunday cars, and Toronto can no longer be quoted as a city where they do not run. Mr. John Charlton, M. P., has been again before the Parliament at Ottawa with a Dominion measure for the better observance of the day. These and other events of the year will give more than usual interest to the report of the Committee on Sunday Observance.

#### MANITOBA SCHOOL SETTLEMENT.

The Union at its two former gatherings passed resolutions in connection with this dividing and perplexing question. It is gratifying to know that a settlement has been reached, which we believe is satisfactory to the great majority of our fellow-citizens, and is in accord with the twice expressed opinion of this Union. We would congratulate our government on the removal of a disturbing question from federal politics, and trust that with its solution a brighter and more harmonious day has

dawned for Protestant and Catholic, English and French, and all other citizens of our fair Dominion.

#### INTERNATIONAL COUNCIL.

A communication has been received from Rev. Henry A. Hazen, secretary of the National Council of the Congregational churches of the United States, which announces that the second International Congregational Council will probably be held in Boston during the summer of 1899. The co-operation of our churches is desired, and we are sure that this Union will respond, not only for the privilege of having a part in an event which will be an epoch in the common cause of Christianity, but also for the reflex blessing that must come from so great a gathering to our much valued Congregationalism in the land of the Maple Leaf.

#### DIAMOND JUBILEE.

In common with the general public, your committee have thought well that some special recognition should be made of this historic event. With this end in view an evening has been assigned to the topic, when addresses will be delivered by Rev. W. F. Clarke, of Guelph, on "Nonconformity in the reign of Queen Victoria," and by Rev. Wm. Johnston, of Toronto, on "Christian Civilization and Standing Armies." We would recommend, too, that an effort be made to secure some permanent monument of the year. This might be done by the further endowment of the College, the placing of our missionary societies on a better financial basis, or perhaps better, the thorough and lasting equipment of the *Congregationalist* in the service of the denomination.

#### ESSAYS.

Your Committee have carried out the suggestion of the Union of last year, and are pleased to announce that papers will be read on the following topics: Child-saving, Rev. J. R. Black, Kingston; Christ in Business, Mr. J. C. Copp, Toronto; The Institutional Church, Rev. E. M. Hill, Montreal; and the Newer Religious Thinking and its Influence on Individual and Church Life, Rev. John Scholfield, Brantford. The topic,

"Christ in the State," has been transferred to one of the evening meetings, when Rev. John Morton of Hamilton will deliver an address on this important subject. We believe that the consideration of these topics will supply a long felt need of the Union, and prepare the way for the discussion of living practical questions aside from the regular routine of business.

#### EVENING MEETINGS.

On account of the extended time of the Union, your committee have thought well to place Friday evening entirely in the hands of the Foreign Missionary Society, when we are pleased to say, Rev. C. H. Daniels, D.D., of Boston, will deliver an address on "Christian Victories an Inspiration for Future Conquest." This will leave Thursday evening wholly at the disposal of the Home Missionary Society, when in addition to representatives from our different provinces, it will be the great delight of all to hear Rev. W. G. Puddefoot, Eastern Field Secretary of the churches of the United States. The programme for the other evening meetings deals with questions of great interest to ministers, delegates and the general public.

#### WOMAN'S SESSION.

In response to a memorial from the Quebec Association, your committee has placed the session for Friday morning in the hands of the Woman's Board. Arrangements have been made by our sisters for that morning, which will be of interest and profit to themselves and to all members of the Union. We assure the Woman's Board of our hearty sympathy, and will esteem it a privilege to listen to representatives, who have had a part in most successfully conducting the mission work which has been entrusted to their hands.

#### DEEPENING OF SPIRITUAL LIFE.

The Quebec Association has also honored your committee with a resolution asking that a session be set apart for the deepening of spiritual life; when no matters of business will be allowed to obtrude. Like suggestions have come from other sources, and it has been a pleasure to respond to these requests. Monday morning is therefore named for this purpose,

when the session will be conducted in turn by Revs. B. W. Day, of Granby, and T. B. Hyde, of Toronto. We believe that it will be a time of great nearness to God, and that from it the brethren will come greatly strengthened and encouraged for the more faithful and efficient prosecution of the work of our Lord and Master.

#### THE CLOSING DAY.

No special arrangements have been made for the closing day. It often happens that distinguished brethren from a distance are with us, whose presence was unexpected. Matters of business may also be crowded over, and the holding of the day clear will leave it to the best disposition of the Union. Should there be no occasion for remaining in session, adjournment can be made; but should the needs of the Union require the day it can be one of the best of our gatherings, closing in the evening with an inspiring rally which will represent the best forces of our churches in the extension of our Saviour's kingdom.

#### THE UNION OF 1897.

And now we have entered upon the Union of 1897. In doing this we are not forgetful of the fact that our ranks have been broken since last we met. The name of an honored and beloved comrade comes specially to mind. For nearly half a century Rev. Wm. Hay, of Scotland, was one of our faithful and devoted ministers, and a true and loyal supporter of Congregationalism in the service of our Lord and Master Jesus Christ. On the anniversary of his birth, and at the ripe age of seventy-five, this veteran of Canadian Congregationalism was translated to his higher sphere of service. We trust that some fitting recognition of his long and valued ministry will be placed on our minutes, and also forwarded to the surviving members of his family. We would enter upon the service of this Union with true consecration of heart and life, so that if before another meeting of the Union the call for us should be heard bidding us "Come up higher," there will be the record of useful uplifting service for Christ and our churches at the Union of 1897. On behalf of the Committee,

Respectfully submitted,

J. P. GERRIE. *Sec.*

The report was received and referred to the Business Committee.

The Secretary read a letter from Rev. Edward Hawes, Burlington, Vt., thanking the Union for the kind reception last year. A letter from Rev. H. A. Hazen, of Boston, in reference to the International Council to be held in Boston in 1899, was referred to the Nominating Committee.

---

---

(2) That Revs. J. H. George, Ph. D, J. W. Cox, E. E. Braithwaite and Geo. Extence and the students of the College be received as corresponding members.

The recommendation was adopted.

The committee to consider the charges against the Revs. W. H. Madill, and J. C. Madill reported through Rev. T. B. Hyde.

The one concerning Rev. W. H. Madill was presented, and on motion was referred back with instructions to eliminate all reference to the Watford Council and to Dr. Hindley.

Rev. T. B. Hyde then read the report of the committee in connection with Rev. J. C. Madill, and their finding as follows:—

Looking at the whole matter as we have done we have to find that.

1. We do not think Mr. Madill's conduct when pastor of Sarnia Church, or in relation to the proceedings before the Ex-parte Council, or

the Western Association, was such as we have a right to expect from a Christian minister.

2. We are sorry to say that we find him inclined to use extravagant language, so extravagant that it is at times difficult to distinguish it from untruths.

3. We find him too prone to stand upon technicalities and resort to legal proceedings, and he seems often to be imbued with a spirit the reverse of that contained in the admonition "do unto others as ye would that they should do unto you," but rather seems inclined to apply the rule, "An eye for an eye and a tooth for a tooth," and to be inclined whenever he and his friends are in the majority to ignore and overbear the minority.

We therefore have to recommend that his membership with this Union be suspended for, at least, one year, when such further action may be taken as circumstances at that time warrant.

We further recommend that the expenses incurred by those called to Toronto by the committee in connection with this investigation, and that of Rev. W. H. Madill's, be met out of the Union funds.

Moved by Rev. E. D. Silcox, seconded by Rev. E. M. Hill, —That this report be received and adopted. Carried.

It was then moved by Rev. E. D. Silcox, seconded by Rev. R. Hopkin,—That a vote of thanks be tendered to the Committee for their services. Carried.

Rev. J. W. Cox tendered the greetings of the Congregational Union of Nova Scotia and New Brunswick.

Mr. C. R. Black and Rev. H. E. Mason asked, and were granted, permission to be absent from the Union.

Session adjourned at 12.15 p.m.

---

#### SUNDAY.

The Annual Union services were held in the First Congregational church. The pastor, Rev. A. W. Richardson, assisted by the Revs. J. W. Pedley and J. W. Cox, conducted the devotional services. In the absence of the Union preacher, Rev. Dr. Sims, Rev. William McIntosh, of Ottawa preached the Annual Sermon, from "And ye shall be witnesses unto me."—Acts i. 8.

In the afternoon, a mass meeting of the S. S. children was held, when addresses were delivered by Mr. Henry Yeigh, and Revs. J. W. Cox and W. T. Gunn.

In the evening, the pastor, assisted by Revs. E. M. Hill and W. T. Gunn, led the devotional services. Rev. E. C. Evans, D.D., was the preacher. At the close of this service, the Lord's Supper was observed. Rev. A. W. Richardson presided, and was

assisted by Rev. T. B. Hyde, of Toronto, Rev. J. W. Pedley, of London, and Messrs. J. L. Henderson and J. A. Hendry, of Kingston.

---

### MONDAY Morning.

A "Conference for Deepening of Spiritual Life," was held. Rev. B. W. Day presided from 9 to 10.30, and after addressing the meeting, was followed by Revs. A. W. Main and E. C. Evans, D.D.

Rev. T. B. Hyde then led the meeting, and a number took part in prayer and testimony.

The Committee on Rev. W. H. Madill's case again reported.

Moved by Rev. W. J. Hindley, seconded by Rev. W. F. Clarke,—That the following be added to the report as presented :

"While expressing perfect confidence in the special committee appointed to consider the case of Rev. W. H. Madill, yet inasmuch as their investigations have been prosecuted under such evident difficulties, the serious illness of Rev. E. Barker, and the failure of Rev. Mr. Madill to appear before the committee in presence of those making the charges ; and whereas we deplore the fact that serious cause of reflection both upon himself and upon the Union to which he belongs has been given by Mr. Madill, we would caution our brother, and admonish him that, in the future, he be more careful of his statements and more conscious of his responsibilities as a Christian Minister."

Moved by Dr. E. C. Evans, seconded by Rev. W. T. Gunn,—That the report of Committee, and the amendment of Rev. W. J. Hindley be referred to a committee of three, to report. Carried.

The Chairman named Mr. G. Pim, Revs. William McIntosh and J. L. Brown as the committee.

The Statistical report was presented by Rev. D. S. Hamilton. The report was accepted and the hearty thanks of the Union were tendered the Secretary. It was also directed that the report be printed in the YEAR BOOK.

Rev. W. H. Madill was granted leave of absence.

The report of the Finance Committee was adopted, and the Committee was instructed to pay the expenses of ministers and delegates, so far as the amount on hand would allow.

The next order of business being "Welfare of Youth," led

by Mr. S. P. Leet, it was decided to dispense with this topic, in order to allow the Conference on the Y. P. S. C. E., under the leadership of Rev. A. F. McGregor, to be held. This was introduced by Rev. W. J. Hindley, who spoke on "The Educational Work in the Endeavor Societies, as it deals with Congregational History and Congregational Principle." Many others took part in the conference.

Mr. S. Thompson, of Toronto, spoke on the "Better use of the Bible in our meetings."

Meeting adjourned.

---

#### MONDAY Afternoon.

Prof. Warriner again occupied the chair. The minutes of the past two days were read and adopted.

The Business Committee then presented the following report. We recommend,—

1. That more time be apportioned for Business at our meetings in future years. Adopted.

2. That the Chairman be thanked for his address. Adopted.

3. That the custom of printing in the YEAR BOOK be departed from, and that in future it be the rule that the address be not printed in the YEAR BOOK. After some discussion this was lost, and the address ordered to be printed in the YEAR BOOK.

---

#### MONDAY Evening.

The Union re-assembled, with Rev. Prof. Warriner in the chair. Rev. J. Allworth, of Michigan, led in prayer. Revs. John Morton and J. W. Pedley gave addresses on "Christian Citizenship." Rev. A. W. Richardson sang a solo, entitled "The Holy City."

After the collection, the meeting was closed by the benediction.

---

#### TUESDAY Morning.

The devotional meeting was conducted by Rev. E. C. W. MacColl.

Rev. Prof. Warriner then asked the Rev. Wm. McIntosh to preside during the day, to which the Union agreed.

The minutes were read and adopted.

The Nomination Committee presented the following recommendations :

(1) That the Union Committee for next year be composed of the following : Revs. J. P. Gerrie, A. F. McGregor, E. M. Hill, Prof. Warriner, E. C. Evans, D.D., H. S. Beavis, D.D., J. Scholfield, J. W. Pedley, T. B. Hyde, E. D. Silcox, A. W. Richardson, C. E. Bolton, W. W. Smith and Messrs. Thos. Moodie, J. M. M. Duff, Jas. Goldie, J. C. Copp, Edmund Yeigh, W. W. Buchanan, Geo. Pim, C. W. Finlayson and Mrs. R. Freeland.

(2) That the delegates to Congregational Union of N. S. and N. B. be Revs. A. W. Main, J. T. Daley, and Messrs. J. M. M. Duff, C. R. Black, and R. W. McLachlan.

(3) That the paper of Mr. Scholfield take the place of the address by Rev. Wm. Johnston, this evening.

(4) That the place of the next meeting be left with the Union Committee.

The recommendations were adopted.

The Business Committee presented the following resolutions :

That this Union desires to put on record a few words of respectful and loving remembrance of the late Rev. Wm. Hay, whom it has pleased God to take to his rest and his reward since our last meeting. One of the earlier alumni of our College, a former chairman of this Union, he spent nearly the whole of a long and active life in the service of our churches, and endeared himself to a large community as its devoted pastor. He was a public-spirited man and threw his best energies into all forms of beneficence and usefulness. His last days, though laden with infirmity, were spent in exemplary patience and in the exemplification and inculcation of a loving and gentle spirit. His memory will long be fragrant in the recollection of those who knew him best.

That in the death of Rev. W. H. Allworth, at Lansing, Michigan, in October last, Congregationalism has lost one of its stalwart supporters. One of the earliest alumni of our College, for many years he lived and labored in Canada at Port Stanley, Barton, Markham, Stouffville and Paris with large success. We thank God for the large-heartedness and Christian charity that characterized him ; for the long years to which he was spared, and for the beautiful ending of a life spent in the service of the blessed Redeemer ; and we tender so his widow and family our warmest sympathy with them in the loss they have sustained in his removal.

That the members of the Congregational Union of Ontario and Quebec desire to express their deep sympathy with our brother, Rev. John Morton, for the loss he has sustained in the death of Mrs. Morton.

The resolutions were adopted, and the Secretary was authorized to forward copies to the proper parties.

It was moved by Rev. E. M. Hill, and seconded by Rev. J. McKillican, that the Business Committee take note of the death of Mrs. Willett, of California.

The Business Committee reported as follows :

(1) That the papers arranged for this morning be laid over until after the business is concluded.

(2) That Standing Rule No. 6 be dropped.

(3) That this evening session be the closing session of the Union.

(4) That the report of the Union Committee be adopted Carried.

Rev. John Morton presented the report of the Committee on Church Union, which was adopted as follows :

#### CHURCH UNION REPORT.

Your Committee has to report that while there has been no new movement during the year, there has been general progress in the consciousness of Christian unity, and the desire to give it visible expression.

The signs of unity in the living as distinguished from the written creed are many. In Christian conventions, *e.g.*, men and women do not group themselves according to denominations, but according to their theological affinities. So in Biblical studies, the more advanced men are drawn from all the churches, and the more conservative likewise. It is found, too, that as great differences exist between ministers of the same denomination as between ministers of other denominations. All these things show that in living faith the denominations are one both as to agreement and difference.

It is to be noted with pleasure that the Union of the Evangelical and the Congregational Unions of Scotland is now consummated. The first meetings of the united bodies were held at the beginning of the present year, and the testimony given is that the points of agreement have been found to be more numerous than had been supposed. Dr. A. M. Fairbairn, who originally belonged to the Evangelical Union, was present and expressed the hope that the Union which had been so graciously begun would be benignantly completed.

It is also to be noted with satisfaction, that the Congress of Free Churches in England, and movements looking in the same direction in the United States and Canada, indicate a trend toward some kind of federation.

The desire for such a federation is expressed in the following communication, addressed by the Quebec Association of Congregationalists to this Union.

*Resolved*—"That the Association memorialize the Union of Ontario and Quebec to consider the desirability of inaugurating a movement for an Organization similar to that of the Free Churches in England, for the pur-

pose of united action in regard to matters affecting inter-denominational relations."

Your Committee recommends as follows :—While this Union does not consider it fitting for it to be an inaugurator of a movement for a federation such as that suggested by the Quebec Association, it, nevertheless, believes that such a union would be a step in the right direction, and holds itself ready to join with any other denomination in bringing it about.

The following resolution was then moved by Rev. John Morton, and seconded by Rev. H. S. Beavis, D.D.

That the Congregational Union of Ontario and Quebec do hereby congratulate our brethren of the Congregational Union and the Evangelical Union of Scotland upon their recent union so happily consummated, that we rejoice with them in their joy, and pray for them the blessing of our Father upon the larger work and greater opportunities now before them.—*Carried.*

The Special Committee, through Mr. George Pim, read the amended finding of the Committee of Investigation, in connection with the Rev. W. H. Madill, to which is appended another finding as follows :

(1) The churches at Belwood and Garafraxa being without pastors, Mr. Madill supplied with a view to a call. Meetings were held, and, although not unanimous, there was then a majority in his favor.

(2) The question having been raised by some parties as to his former history in connection with the church at Watford, he was asked about it, and he told them that he would clear the matter up.

(3) He went and consulted Rev. Dr. Hindley, from whom he expected to be able to get a letter that would satisfactorily explain things. It is evident, however, from his explanation that Dr. Hindley was not willing to give him such a letter as he, Mr. Madill, thought he ought to give.

(4) Under these circumstances it would appear that Mr. Madill decided to do nothing further in reference to his candidature for these two churches, and did not do anything further, but declined the call.

In the judgment of your Committee, the relation of Mr. Madill to the church at Watford came up only incidentally, and was not investigated by them. We, therefore, make no finding in that connection.

Concerning Mr. Madill's conduct at Belwood and Garafraxa, we do not find that he did anything worthy of discipline. We, therefore, beg to report that we do not find the charges made against Rev. W. H. Madill in his relation to these two churches sustained. As it would appear that when he saw there was opposition, and that Dr. Hindley did not seem inclined to assist him, he decided to drop the matter and not press his candidature any further.

Your Special Committee beg to report that the following be added to the report already presented to the Union :

In view of all the facts of the case, while we do not find Mr. Madill pen to discipline so far as our information goes, yet, we believe that there

is ground to admonish him, that in future he be more careful in his statements, and also in his conduct, that he remember the responsibility resting upon him as a Christian minister, "To be an example to believers in word, in conversation, in charity, in spirit, in faith, in purity."—1 Tim. iv : 12.

It was moved by Rev. J. W. Pedley, and seconded by Mr. R. Hopkin, that this report be adopted. Carried.

Rev. John Allworth presented the greetings of the Michigan Association.

Moved by Rev. J. Wood, and seconded by Rev. J. W. Pedley, that the cordial greetings of this Union be sent by Rev. J. Allworth to the Association in Michigan. Carried.

Rev. Prof. Warriner presented the report of Committee on Ordinations.

The matter of Credential Committee was referred to the Union Committee, to define the functions of this Committee.

It was agreed to allow Rev. Wm. McIntosh a few minutes at the evening meeting to present the matter of "Victorian Order of Nurses."

Mr. Copp spoke for the Publishing Society.

Rev. J. R. Black reported on the Prison Reform Committee, which was adopted as follows:—

The Committee of Prison Reform have to report that your deliverance on Prison Reform last year was transmitted to Dr. Rosebrugh, secretary of the Dominion Prisoners' Aid Association, and by him sent to the Minister of Justice. In that report were the following recommendations :

1. That the Boys' Reformatory at Penetanguishene be reformed.
2. That the Industrial School at Mimico be made free to all municipalities of the province.
3. That a female inspector be appointed for all institutions where women are imprisoned.
4. That the Dominion Government be requested to establish a second reformatory for Protestant boys between the ages of 17 and 30, committed or a first offence, and contiguous to a large town or city.
5. That permission be given to all magistrates to apply the lash at their discretion.
6. That the Ontario Act for the better protection of children be more vigorously enforced.
7. That the Federal Government be requested to give increased facilities for voluntary religious ministrations by accredited clergymen and others in the Dominion prisons.
8. That in the case of every tramp and vagrant committed to the common gaol, hard labor shall form part of the sentence.

9. That in order to abolish the inhuman system of committing homeless men, women and children, to common gaols, the establishment of poor houses be made compulsory.

10. That the sentences passed upon all juvenile offenders be indeterminate.

11. That the isolation system be adopted in all gaols.

12. That all prisoners be made to work and earn their own living.

13. That the young may be inculcated in industrial habits.

Of these none have been acted on, and your present committee recommend that they be re-affirmed.

We are, however, pleased to be able to state that some progress has been made in dealing with crime and prisoners.

By parliament the age of consent has been raised to 18 years of age.

The Commission appointed in 1896 to investigate and report upon the administration of the penitentiaries of Canada made its first report covering its work in connection with the Kingston Penitentiary. In this report grave fault is found with the discipline and economical administration of this institution. And the Government is requested to retire four and summarily dismiss two of its high officials. A long list of recommendations are made in the interest of a better government of the prison. This advice will, doubtless, be acted on, and we may expect to find in the near future a better condition of affairs in this large and extensive reception room for our criminal class.

The Ontario Legislature has also passed certain measures of a salutary character from the standpoint of the prevention, restraint, or cure of crime.

By a recent Act of this body child immigration is confined to juveniles free from disease and vice.

A second Act empowers any municipality to license and regulate maternity boarding houses, and houses in which children are boarded.

The old Victoria College building in the town of Cobourg has been purchased by the Government, to be devoted to a reformatory for girls, and a home for epileptics.

The Committee on Temperance submitted their report, which was adopted, as follows :

The attention of the advocates of temperance has centralized during the year on the impending plebiscite. The expectation was general that the Government would redeem its pledge at the present session of Parliament, and this turned all effort in the direction of preparing for the campaign that would follow. The Government has, however, expressed its purpose to take no further steps, until next session, towards bringing the matter to a popular vote. The reasons given are that the tariff has monopolized much time and is still incomplete ; that the time of the year makes Parliament intolerant of anything which will cause delay ; the absence of the Premier in England, the approach of the Jubilee celebrations, and the incompleteness of the Franchise Act, by which the results of the plebiscite will be seriously affected.

It has been rumored that the question of direct taxation to meet the revenue deficit in case prohibition became law, will be appended and the

people asked for their opinion on it. This has drawn forth universal disapprobation from the temperance people. And in this feeling your Committee fully share, for it is hardly fair to tack to the question of prohibition the question of supplementary taxation. That there would be a loss of revenue is conceded, but we cannot tell beforehand with anything approaching exactness what this loss would actually be. The money saved from liquor would be expended on other dutiable articles, and the revenue deficiency would thus in great part be made good. Yet the question of finance is so entirely foreign to the question on which it is proposed to ascertain the people's will, that it is difficult to account for the action of a Government in combining the two.

We are pleased to be able to state that the sale of intoxicating liquors has been banished, by an almost unanimous vote, from the refectory of the House of Commons. That the venerable Senate follow this good example, is a consummation devoutly to be wished.

In the Province of Quebec there has been no new legislation. The late Government was, under pressure from the Citizens' League, reasonably effective in law enforcement, and as much may be hoped for from the Government that has just come to power.

In Ontario the licence law has been amended so as to make it more stringent. The age at which liquor can be legally sold to persons has been raised, the sale of liquor in club houses has been prohibited, the hours of sale have been reduced, the number of licences decreased, and provision has been made for a gradual extinction of saloons, by which they shall cease to exist in three years.

Your committee submits the following recommendations :—

1. That the traffic in intoxicating liquors is productive of so great evils in the country, that it cannot be legalized without disastrous results ; and that its total prohibition is the obvious duty of the Government.

2. That it is the duty of Christian electors to make prohibition a direct issue in the choice of representatives to Parliament, to the legislatures, and to municipal bodies ; exerting their utmost personal and political influence to secure the nomination of suitable candidates who are consistent prohibitionists, ready to make the question an issue in their campaign.

3. That we protest against the attachment of a rider to the prohibition plebiscite as to the form of taxation.

4. That as a denomination favoring a prohibitory liquor law, we earnestly urge upon the people of our churches in Ontario and Quebec, the importance of voting for prohibition, regardless of the conditions that may be attached to the form of its submission.

The Union recommends, as requested by W.C.T.U., that the last Sunday in November be set apart as Temperance Sunday.  
Carried.

The Joint Committee of the Union and various Societies on Co-operation or Amalgamation Scheme presented their report as follows :—

1. That the Union be requested to make a place upon the Union Committee for a member to be elected by each Association. Also, that the secre-

taries of the various denominational societies be made *ex-officio* members of the Union Committee.

2. That the various denominational societies meeting with the Union, be requested to change their constitutions so as to make delegates to the Union from contributing churches *ex-officio* members of the societies to which their churches have contributed.

The debate on this question was adjourned until afternoon.

Moved by Rev. Galen H. Craik, seconded by Rev. J. L. Brown, that the following be substituted for standing rule No. 13 :

“That a collection for the funds of the Union be made annually in each church, on or near the Lord’s Day, prior to the meeting. From this source the Finance Committee, after providing for other necessary expenses, shall pay in full, if possible, the travelling fares of its members ; or if unable to pay in full, shall deduct from the claim of each, such equal amount as may be found necessary.

The following shall share in the above privilege :—

Ministers without pastoral charge who shall have contributed not less than one dollar.

Ministers in charge of a congregation, who shall have contributed not less than one dollar, and whose church shall have contributed not less than five dollars.

Delegates from churches which have contributed not less than five dollars. In case, however, a church should be represented by both pastor and delegate, a collection of at least five dollars from the church with not less than one dollar from the pastor, will enable both to share in the fund.

The Finance Committee shall not make payment until after the final adjournment except with leave of the Union.

Moved by Rev. J. L. Daley, seconded by Rev. W. J. Hindley, “That this be referred to the Union Committee.” Carried.

Union then adjourned.

## TUESDAY Afternoon.

The Union re-assembled at 2 o’clock ; Rev. Wm. McIntosh in the chair.

After prayer by Rev. E. M. Hill, the minutes of the morning session were read and confirmed.

Moved by Rev. W. T. Gunn, seconded by W. H. Watson, “That the secretary be instructed to use his discretion in condensing the reports, but that resolutions be printed in full.” Carried.

Rev. W. H. Watson suggested that reference should be

made to the loss of Rev. B. B. Williams. Referred to Business Committee.

The report of the Committee on Amalgamation Scheme was then brought forward, and it was moved by Rev. J. T. Daley, seconded by Rev. A. F. McGregor, "That the report as read at the morning session be adopted."

After discussion in which many took part the motion was carried.

Rev. W. H. Warriner again took the chair. The following papers were then read :

"Child Saving," Rev. J. R. Black; "Christ in Business," Mr. J. C. Copp; "The Institutional Church," Rev. E. M. Hill.

The Union then adjourned.

---

#### TUESDAY Evening.

The meeting opened by singing, after which Rev. W. H. Watson led in prayer.

The Rev. W. F. Clarke spoke on "Non-conformity," in the reign of Queen Victoria. Rev. J. Scholfield next addressed the meeting on "The Newer Religious Thinking and its Influence on Individual and Church Life." Rev. Wm. McIntosh presented the scheme of the Victorian Order of Nurses and moved the following resolution, which was seconded by Rev. J. McKillican and carried.

It being in accord with the well-known kindness of heart and in agreement to the expressed wish of her Majesty the Queen, that any Memorial erected in commemoration of her Diamond Jubilee be of the nature of the alleviation of suffering, we recommend the Victorian Order of Nurses as inaugurated by her Excellency, the Countess of Aberdeen, to the sympathy and financial support of our churches.

Rev. J. T. Daley on behalf of the Business Committee presented the following resolutions which were adopted :

Resolved :

1. That Prof. W. H. Warriner has conducted the sessions of the Union to our entire satisfaction.

2. That the friends in Kingston have been very generous in their hospitality, and that we shall gladly come back again when they give us the opportunity.

3. That we thoroughly enjoyed the excursion among the Thousand Islands, and the very palatable repast arranged by the kindness of Alderman McKelvey.

4. That Rev. W. J. Hindley was very kind in reading the address in the absence of the chairman.

5. That Rev. Mr. McIntosh preached an excellent sermon on Sunday morning.

6. That the Secretary, Statistical Secretary and Minute Secretaries have worked hard and done well.

7. That the Press have given us good notices, and that the *Witness* has been very kind in its distribution of free copies.

8. That we are glad to welcome Rev. Dr. Daniels, A. K. Wray, W. G. Puddefoot, J. W. Cox and John Allworth to our meetings, and to hear their helpful words.

9. That the musical part of our meetings has been of a high order, and that Miss Tandy has added much to our enjoyment by the feasts of melody she has provided.

10. To the Rev. A. W. Richardson for his able management of the temporal arrangements of our Union meetings.

11. To the Curator of the Church for his ministry to our comfort.

12. And that our cordial thanks be tendered these and all others who have contributed to the success of the meetings.

The Secretary then moved that the minutes be taken as read and adopted, and that after the benediction the Union stand adjourned to meet at the place selected by the Committee for the annual meeting next June.

## STATISTICAL SECRETARY'S REPORT

*Of the Congregational Union of Ontario and Quebec, for the year ending  
May 8th, 1897.*

---

In presenting the Statistical Report, I am pleased to state at the outset that the returns, although incomplete, show a much more hopeful condition of affairs than existed in our churches one year ago.

I shall not attempt to give a detailed comparison between the figures of last year and this; but shall seek to bring before you a few points of interest, which will give a general idea of our work, and you can peruse the returns at your leisure when the YEAR BOOK is published.

Beginning with the *Province of Quebec*, nineteen churches, being all in the Province, have sent returns. Twenty Sabbath Schools have responded, and fourteen Y. P. S. C. E. The returns are, therefore, pretty complete for Quebec; and the showing very satisfactory all through.

Although the average attendance at church services is ninety less than last year, the total under pastoral care has increased 288; being now 6,488; while there has been a net gain in church membership of over 100; making the present church membership for the Province 2,008.

It is worthy of special note that Bethlehem Church, Westmount, the corner stone of which was laid at the time of the last Union, is now a complete and beautiful structure, with a people thoroughly organized, and everything in a prosperous condition, under an efficient and energetic pastor.

## SABBATH SCHOOLS.

There has been a marked improvement in Sabbath School returns; as twenty have reported, against twelve last year. This does not mean that there has been an increase of eight schools: and there is nothing to be gained by a comparison

with last year's figures, except to note with satisfaction the practically complete Sabbath School returns, which show:—

Number of Schools.....	20
Teachers and Officers.....	210
Scholars on Roll.....	2,002
Average Attendance.....	1,305
Amount Raised.....	\$963
Joined Church from S. S.....	28

The totals include a Chinese class in connection with Emmanuel Church, Montreal, which has 25 scholars and 22 teachers.

Zion S. S, Montreal, is the largest in the Province and in the whole Union, numbering 305, with average attendance of 234.

#### Y. P. S. C. E.

Coming to the Christian Endeavor Societies, thirteen Senior and one Junior have sent reports, giving:—

Active Members.....	408
Associate Members.....	148
Total.....	556
Increase for the year.....	79
Joined Church from C. E.....	20
Amount raised.....	\$321

Seven societies show increases varying from 4 to 29, seven appear to have held their own, while two have suspended or disbanded with the intention of re-organizing shortly.

#### ONTARIO.

The returns from the Province of Ontario, unfortunately, are not nearly so complete as those from Quebec. Instead of trying, therefore, to fill in the blanks from former YEAR BOOKS, as is sometimes done for the sake of getting the statistical tables in shape for comparison with the previous year, the non-reporting churches, this year, are left blank in the tables, the names of such churches and their pastors only being given. This report, therefore, will be of the work and condition of the

churches actually reporting. Of the 73 churches on the roll last year, eight are virtually dead, and seven failed to report; leaving 58 from which returns came. These 58 show an average attendance of about 9,000, with 13,400 under pastoral care; while there has been a net gain in membership of 239, making the present membership of the 58 churches, 5,728.

"Welcome-Zion," Ottawa, is to be congratulated on the advance she has made from being a preaching station, to a regularly organized church with an earnest pastor and people, accomplishing excellent work.

#### SABBATH SCHOOLS.

Ontario Sabbath Schools have responded much better than a year ago, sixty returns having been made; as against forty-five last year. These schools show:—

No. of Teachers and Officers to be....	639
Scholars on Roll.....	5,664
Average Attendance.....	4,204
Joined the Church from S. S.....	142
Amount Raised.....	\$4,027

The largest school in the Province is Olivet, Toronto, with a roll of 301, while Broadview Ave. comes second.

#### Y. P. S. C. E.

Fifty-two Christian Endeavor Societies, fifty-one Senior and one Junior, report, as against thirty-seven last year; which is a gratifying increase. They have:—

An Active Membership of.....	1,329
Associate Membership of.....	539
Total.....	1868
Increase during the year.....	202
Joined Church from Society.....	112
Amount Raised.....	\$472

It is exceedingly gratifying to note that Churches, Sabbath Schools and Endeavor Societies are, generally speaking, manifesting spiritual life and the fruits thereof, as seen in the substantial increase in church membership, the efficient state of

the schools, and the earnest aggressive work being done by many of the Endeavor Societies. The financial aspect is not all that could be desired in Ontario; but taking the two Provinces together, a fairly good showing is presented; and your Secretary would venture the opinion that the less satisfactory state of the finances of Ontario churches, as compared with Quebec, is largely due to the numerous changes in the pastorates of the churches in the former Province.

Over ninety thousand dollars were raised for all purposes, by seventy-seven churches in Ontario and Quebec; to which, if we add the contributions of the two Winnipeg churches, we have a total of one hundred thousand, five hundred dollars, from seventy-nine churches. The same number of churches represent a net capital of five hundred and thirty-one thousand dollars. The debts have been reduced in several instances; and the good news comes from Woodstock church, that a debt of seven thousand dollars is to be wiped out by a legacy.

There has been an unusual number of changes in the pastorates of the churches during the year; and twenty-seven churches in Ontario alone have undergone this experience, while seven are still vacant; making thirty-four in which changes have taken place or vacancies exist. This is to be greatly regretted; and it is pleasing to be able to state, that only two or three changes have occurred in the Quebec pastorates. It is only fair to state that fewer vacancies exist than was the case a year ago; and we welcome as fellow-laborers the following brethren:—

Revs. Geo. Extence, A. Lennox, J. H. Barnett, E. C. W. MacColl, Thos. H. Rogers, Dr. H. S. Beavis, Wm. Collins, T. R. Forbes, G. Trotter Carr, H. Peckover, and A. F. Pollock, who has returned after a post-graduate course in Oberlin. Besides, two of the recent graduates of our College have assumed charge of churches since College closing; namely, J. L. Alexander, of Middleville, and John McGuire, of Kincardine. We have, therefore, reason to feel grateful and hopeful; and with this accession to our ranks, let us go forward to another year's work, determined that it shall be, under the blessing of God, still more fruitful in results than the past year has been, and to this end let pastors and churches consecrate themselves afresh to the Master's service.

Respectfully submitted,

D. S. HAMILTON.

## CHAIRMAN'S ADDRESS.

## CONGREGATIONAL UNION OF ONTARIO AND QUEBEC.

BY REV. JOHN I. HINDLEY, PH.D., FOREST, ONT.

## "A WORD OF CHEER."

June 9th, 1897.

*Fathers, Brethren, and Sisters in Christ Jesus :*

**P**ERMIT me first to express my high appreciation of the honor you have conferred on me in giving me the highest position in the Union. It has been a source of sincere pleasure to me, for over thirty years, to serve both the Union and Denomination in any capacity, and I only regret that I find myself unable to serve you more efficiently and fully.—Thanking you all for many kindnesses in the past, I now throw my-

self upon your charity and generosity, as I bring a few very imperfect thoughts before you, which have been thrown together amidst much physical weakness. It is with feelings of deep disappointment that I find myself debarred from once more looking into your faces, but my Master knows what is best and I bow in submission to His will. May His presence be with you all and His wisdom guide you unto the end. I feel, brethren, we live in a crucial age, one of tremendous possibilities; let us devote all our powers to the Master, and support and develop our various schemes to the fullest extent. Our Home and Foreign Missionary Societies, our College, require a better support. Our denomina-

tional paper, which I have laid under tribute in the preparation of my address, should be much better patronized. Our weaker churches should have more sympathy and assistance, and many of our over-worked and under-paid ministers would often be stimulated and helped by a word of encouragement. It is to them, in particular, I would address a Word of Cheer, with a most hearty "God Speed" to Christian workers in every denomination.

#### DO NOT BE ALARMED AT THE TREND OF MODERN THOUGHT.

Some tremble as if the foundations of Christianity were being shaken, but its principles were never so firmly intrenched in the minds of thinking men as they are to-day, nor were they ever achieving a grander work for God and humanity, than in the present. An overwhelming majority of men of mind are more and more convinced of this, while they are just as firmly impressed that the theories of science and theology, which are un-Biblical, are erroneous. We find this sentence in an address of the President of the British Association:—"While modern science can boast of certainty, truth, and sound good sense, there are mixed up inextricably with all this, uncertainty, falsehood and specious nonsense." One calls the theory of evolution "A puerility of science," and the giant mind of Thomas Carlyle speaks thus of Darwin:—"A good sort of man is this Darwin and well meaning, but with very little intellect." And then he arraigns his followers in the following sarcastic language:—"It is a sad and terrible thing to see well-nigh a whole generation of men and women, professing to be cultivated, looking around in a purblind fashion and finding no God in this universe. And this is what we have got to: all things from frog spawn, the gospel of dirt the order of the day. The older I grow—and I now stand upon the brink of eternity—the more comes back to me the sentence I learned as a child, and the fuller and deeper its meaning becomes: 'What is the chief end of man? . . . To glorify God and enjoy Him forever.' No gospel of dirt, teaching that men have descended from frogs through monkeys, can ever set aside that." Even Tyndall says:—"Spontaneous generation has never been known to occur." Without life no life is generated. How frequently we hear men quote from Tennyson, that

"There lives more faith in honest doubt,  
Believe me, than in half the creeds."

Did he not mean honest doubt bent on enquiry, actively seeking the light, not resting, much less glorying in doubt and darkness? Is not this plain by the following lines:

“He fought his doubts and gathered strength;  
He would not make his judgment blind;  
He faced the spectres of his mind  
AND LAID THEM; thus he came at length  
To find a stronger faith his own,  
And power was with him in the night,  
Which makes the darkness and the light  
And dwells not in the light alone.—IN MEMORIAM.

Some vainly imagine that doubt means strength of mind, originality of thought, freedom from tramelling creeds, and liberty of expression. And so they often fling insults in the faces of all who dare to differ from them, and with bold affrontery declare, no thinking, intelligent mind, can possibly hold an opposite opinion. Thus they insinuate that only such as get outside common orthodoxy, are intelligent, only such read and think. We ask in the face of existing facts, is this fair? Is it courteous? Does it not require, to say the least, as much thought, as much originality, to comprehend the old theology, as the newer theories? Yea, is doubt not rather a source of weakness, than of strength? Is it not true that ten thousand young men in England, and twenty thousand young men on this continent are smitten with the paralysis of moral power, because of their doubts? Shakespeare says:—“Wisdom and goodness to the vile seem vile.” Genuine Christian faith, carries with it candor, ingenuousness, humility, teachableness and intelligence. It is not merely assent to doctrine, dogma and ism; but true manhood and womanhood as evolved by the genius of Jesus Christ. Many won't believe in the grandly noble and unselfishly generous; but they can believe in selfishness, hypocrisy and general evil. Is there any lack of general intelligence, or grasp of mind in such men as Newton, Linnaeus, Kepler, Charles Bell, Drs. Dana and Dawson? or in Hugh Miller, another mighty student of God and nature? Dalton, Davy, Herschell, Faraday and Lyell, who laid the very foundation of modern science, all these worked according to the genius of Christianity. Huxley said he would not revile those Christians, whose faith was more robust and whose hopes were richer and fuller than his own. Many might learn much in the line of modesty from such noble minds and curb their tendency to heap obloquy on such as keep to the old landmarks. One able writer declares:—“Not a single

Professor in Oxford or Cambridge teaches science as antagonistic to the Christian faith." The great Dr. Dana says, as he examines the first chapter of Genesis, he finds it in strict accord with known science, hence, as a scientist, he declares it to be inspired. Babylonian, Chaldean, Egyptian and Syrian mounds are silent witnesses to the truth of the Bible. All modern research confirms the Bible, so does the widest Christian experience. Some may talk glibly of the Mosaic account of Creation as "an oriental poem," yet the best scientists find it is more than abreast of known science. We are therefore in noble company, brethren, when we stand with such men. Be of good courage, we have no need to tremble before the blatant infidel, or the sneering theorist, or the so-called "Higher Criticism." These "Higher Critics" are, evidently, endeavoring to prove that the Old Testament Scriptures are unreliable and largely composed of legend and myth; that the historical, poetical, prophetic and other portions of the book, abound in mistakes and errors; and that in many instances the reputed authors of these books are not the real authors. They further allege that it is only by superior scholarship, by intimate acquaintance with ancient literature and especially by certain scientific methods, which belong exclusively to these "Higher Critics," that the real truth of what is contained in the Bible can be ascertained. Many of them do not attempt to deny that these Scriptures are acknowledged to be the same now, as in the time of our Lord, and from which he quoted largely, but they claim to have a new and superior knowledge of them. They claim also originality and profundity of thought above all others, and seem utterly to ignore the key, which Christ puts into our hands in John 7: 17, "*If any man will do his will, he shall know of the doctrine, whether it be of God, or whether I speak of myself.*" Learning is greatly to be desired, but can never supplant this key of *obedience* when coupled with *faith*. Nor must we ignore the Holy Spirit's intervention in giving light—

"The Spirit shines upon the word,  
And brings the truth to sight."

All need this in order to grasp and expound the profound truth of God. We naturally ask, Are the thoughts, experiences and object of these "Higher Critics" so original and modern? Are they not really re-echoes of the enemies of the Bible, yea, many of them infidels of upwards of one hundred years ago?

We find the following in the writings of Bolingbroke, Voltaire and Paine:—

Bolingbroke—*Chapter on Sacred History, 1735*: “These histories are nothing more than compilations of old traditions and abridgment of old records, made at later times. These Scriptures . . . are . . . full of additions, interpolations and transpositions, made, we know not when, nor by whom.”

Voltaire—*On the History between Kings and Chronicles, 1761*: “See on what *prétex*ts, on what facts, on what miracles, on what predictions, on what basis, this disgusting and abominable history is built.” *Important Examination, 1767, Chapter IX.* “The most probable opinion is that the books attributed to Solomon, to Daniel and to others were made in Alexandria.”

Paine—*Theological Works, 1795, Page 107*: “I do not suppose that the compilers of the Bible made these books (Isaiah, etc.), but rather that they picked up some loose, anonymous essays and put them together under the names of such authors as best suited their purpose.” Page 108: “A very glaring instance occurs in the book ascribed to Isaiah, the latter part of the forty-fourth chapter and the beginning of the forty-fifth, so far from having been written by Isaiah, could only have been written by some person who lived, at least, one hundred and fifty years after Isaiah was dead.”

The above quotations virtually summarize what these modern and very original, and most respectable “Higher Critics” are saying and doing. Should any one doubt this statement, let him compare Prof. G. A. Smith’s work on Isaiah with these sentences from these infidel writers, and they will have ceased to be charmed with his great originality and modern research and erudition. Let these “Higher Critics” also consider *what company* they are in, *whose* arguments they quote, and to *what age* they belong. In fact, many of these infidels appear to us more honest and consistent, than their more modern imitators, for they stood outside the walls of the church while they hurled their shafts against her, but many modern critics remain inside, and, like Ephialtes, betray her to her enemies. while they live on her revenues. Their methods of criticism, if applied to almost any author, would inevitably lead to the same conclusions they have arrived at, concerning the Bible. Still the Bible stands and Christianity marches on like a mighty Express train, quite ignoring the prairie dogs of infidelity and criticism, which keep up their constant barking. The Bible and

Christianity are not now on their trial; by their record of many centuries, they have proved themselves of Divine origin. Their influence on individuals and nations, the mighty work they are to-day achieving, amply demonstrate they are of God. A large majority of our best and most modern thinkers, stand by the old landmarks in theology, while many who generate but little thought and can claim less originality, are only the re-echoes of erratic men. Some can only obtain a little cheap notoriety by following some other, who has been able to wrest Scripture and compel it to shriek out a new theory ventriloquistically. We add again, there is nothing specially smart or original in such minds, and let none of us be moved by them; these are not the men most needed and most blest by the Master. He needs men in this selfish, showy, pleasure-seeking, place-hunting, money-getting, do-as-you-please age; educated men, it is true, but who will exhibit the true genius of Christian living as the only best thing in the world. Men to whom the internal is more than the external. The true minister of Christ should stand unmoved and impregnable in truth, although others should be discontented and variable and wander after diluted truth or popular error. He must represent what the public really needs, not what it clamors for. Men of true education should have learned the difference between the permanent and the transient. The latter is the aimless, pleasure-seeking, frivolous, wasted life of a human being; the former is represented by faith, love, self-denial, benevolence; in short, by all that appertains to the true genius of Christianity.

*Do not be discouraged because we are few.* Where God is there is the majority. Let us not so frequently and pessimistically quote that we are the "least among the tribes"; let us listen to the old prophet Micah 5: 2: "But thou Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall he come forth unto me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting." Are we not following this order, and does he not lead the *one* to victory against the *thousand*? Do we wish to stand with numbers, let us look across to our neighbors, and we see 5,600 churches, 5,475 ministers, and 622,557 members. If we look into England and Wales, we behold 4,607 churches, and many others among the nations. Have we not just reason to be proud of our work, even in the van. See what our missionary societies, the American Board and the London Society, have

accomplished and still are doing. These two societies employ some 6,000 English and native missionaries at an outlay of *one and one-half million* dollars every year. One of these lately reported in all £5,618,123 raised and expended, to which might be added £981,752 contributed by churches, which have been founded by missionary effort. Our American churches during the last twenty-five years have contributed the enormous sum of about *fifty million* dollars for mission work. And what noble souls have gone into this work! Robert Morrison, Pioneer Protestant Missionary to China; John Williams, of Polynesia; Robert Moffat and David Livingstone, of Africa; Henry Lyman, of Summatra; Samuel Newell, of India; John Eliot and David Brainard among the American Indians. Time and space forbids us to mention what we have done amidst the islands of the ocean. In the line of *education and literature*, we have also played a noble part. Joseph Cook says we have founded more colleges than any other denomination. We refer with pride to Yale, Andover, Harvard, Oberlin, which together with Chicago Seminary, are in the very van of the educational institutes in America. Nor is England behind in Congregational colleges, which for number and efficiency are second to none. In the *literature* of the world we have left a grand impress, both as to number and excellency. Dr. Dexter, in his History of Congregationalism, gives a *one hundred page* list of works, not books, by Congregationalists. It is a grand stimulus to find our names coupled in Christian work with men like these: Milton, Locke, Bunyan, Owen, Charnock, Goodwin, Watts, Matthew Henry, Wardlaw, Jay, John Angel James, Edward and Lyman Beecher, Bushnell, Morison, Dexter, Taylor, Dale, and a host of other men of whom their very nations are justly proud. Some of the best papers, in their special lines, which the world produces, are edited by our men, such as the *Sunday School Times*, *Golden Rule*, *Christian Work*, *The Kingdom*, *Outlook*, *Chicago Advance*, *The Montreal Witness* and the *New York Independent*. In all *Social Reforms* we have been in the lead; we have fought the drink traffic and slavery wisely and uncompromisingly, having struck them some of the most deadly blows. So to-day our men are in the first ranks, fighting slavery in another form, as seen in the grinding monopolies of capital. Washington Gladden, Prof. Herron, B. Fay Mills and others are doing a noble work, while we all, as followers of Jesus Christ, who was the world's greatest Socialist, are standing up for the rights of the many

against the few who oppress. The *Christian Endeavor* movement was inaugurated by Dr. F. E. Clarke over sixteen years ago, and which now embraces about *three million members* of the very elite of Christian workers, we may justly claim as our work under the Great Master. Among those engaged in evangelistic work, our men in the past and present, rank among the most excellent. We may point to the Haldanes, Jonathan Edwards and Charles Finney, B. Fay Mills, E. P. Hammond, and lastly but by no means least, Dwight L. Moody, the evangelist of the day. Let us "Put a cheerful courage on," brethren; our fields may be hard, our position obscure, yet our work is important. Our stronger churches may generally call men from other lands, yea, from other sects, not even giving a hearing to our own alumni in many instances, thus adding to their other discouragements, and driving some to other lands, yet let both alumni and churches realize that generally speaking, it is the men of our own College, who do the most self-denying, the hardest and the best and most lasting work; they understand our Canadian work the best and are the most loyal to us, and, with very few exceptions, are less erratic. We highly esteem many of the men, who have cast in their lot with us, they are noble men in many instances, but not more so than our own alumni. Our ablest and best men may not always occupy the best positions; we know of some in comparatively obscure places, who have declined calls to the larger cities, but who preferred to serve the Master in a humbler sphere. "Verily I say unto you, they shall in no way lose their reward." Let the brethren in our rural or weaker churches, remember these feed the stronger or city churches, supply students for our College, frequently more fairly represent the true genius of the Master, than the wealthier city churches. Toil on, brethren, you are in excellent company and doing grand work for Christ. Remember "Many that are first shall be last, and the last first." As the old Professor said to his student with reference to his small field: "It is probably as large as you will wish to be held responsible for at Judgment." Realize how often Christ preached to an audience of *one*, and how seldom he preached to crowds, and upon how small a salary. Let us follow more closely our Great Leader. We greatly need men and women full of Jesus. He is the mighty power, both in pulpit and pew, in private or public life, yea in all ranks of life, this age greatly needs:—

“ Men whom the lust of office does not kill ;  
 Men whom the spoils of office cannot buy ;  
 Men who possess opinions and a will ;  
 Men who have honor, men who will not lie ;  
 Men who can stand before a demagogue,  
 And damn his treacherous flatteries without blinking ;  
 Tall men, sun-crowned, who live above the fog  
 In public duty and in private thinking.”

But, brethren, we must not weary you, and the time of the Union is very valuable ; permit us to summarize, and, if possible, crystalize a few thoughts ; you can fill up the interstices at your leisure. To what has already been said, add your encouragement.

*The Principles of Congregationalism are Pre-eminently Spiritual.* Hundreds of churches in Norway and elsewhere, founded by men with only the Bible in their hands, are found to be distinctly Congregational.

*Our Church Polity is the Oldest.* “ Yours is the most primitive and Apostolic,” said a leading Methodist minister to me, when speaking together of the principles of Congregationalism.

*Our Principles are most Modern.* Nothing better has ever been evolved than “ *One is your Master, even Christ, and all ye are brethren,*” and the principles involved in this and Matt. xviii : 15-17. *Verbum sapientes satis* are emphatically ours.

*We have always advocated True Freedom, Civil, Religious and Mental.* The Pilgrim Fathers and nonconformists attest this. We are the only sect in America, which never besmirched itself with slavery, and we first struck it a deadly blow, while others apologized for, condoned or defended it. We speak with pride of the Beecher family, as we realize their actions on the slavery question.

*Our Principles Command Universal Respect.* Nations, sects and individuals alike, recognize some of our men and women are in the van among scholars, orators, authors, poets and statesmen.

*Our Platform is the only one upon which true Union can be Consummated.* “ Yours is the only New Testament platform, the only one for a possible union,” said a scholarly Presbyterian minister to me on one occasion.

*Nations have arisen and still exist through our Principles.* Great Britain owes much to us, and our principles are interwoven in the very Constitution of the United States.

*Our Principles permeate all the other Sects.* Purity of

communion, open communion, lay representation, etc., principles for which we long fought, are now found in many other denominations. A majority of all existing sects, according to Dr. Beecher, hold to our Church polity. Should Congregationalism die to-day as an ism, its important principles, as embraced in other denominations, would be perpetuated to the end of time. We fully realize we do not contain all the good, Christianity is far wider than Congregationalism. We love the other branches of the Christian Church, because of the sweet fellowship we have had with them, and because we have found so many of them working, fighting, praying, yea, praying for the very same principles we hold dear. Be encouraged, brethren, if we are smaller than others, it is largely because so many others are propagating the same grand truth with us. And now brethren and sisters, a kind farewell; to each I would say:—

“Fare thee well, and if forever,  
Then forever fare thee well.”

Be of good courage. Be of one mind. “The Lord of Hosts is with us.” “And we know that all things work together for good to them that love God.” I can best express my own feelings in the following verses:—

“I see not a step before me,  
As I enter another year;  
The past is safe in God's keeping,  
The future his presence shall cheer,  
And what seems dark in the distance,  
Shall brighten as I draw near.

It may be the dreaded future  
Has less bitter than I think;  
The Lord will sweeten the waters  
Before that I stoop to drink.  
Or if Marah must be Marah,  
He'll stand beside the brink.

It may be He has waiting  
For the coming of my feet  
Some gift of such rare blessedness,  
Some joy so strangely sweet,  
That my lips can only tremble  
With the thanks I cannot speak.

And so I go on, not knowing,  
I would not if I might,  
I'd rather walk with God in the dark,  
Than walk alone in the light;  
I'd rather walk with Him by faith,  
Than walk alone by sight.”

**Next Meeting of the Union**

At Yarmouth, N.S., July, 1898.

MINUTES OF THE UNION.

---

The Fiftieth Annual Meeting of the Congregational Union of Nova Scotia and New Brunswick met with the church at Milton, N.S., Thursday, July 8th, 1897, at 9 a.m.

A devotional service was held, at which the Rev. Jas. M. Austin, of Sheffield, N.B., presided. The leading thought of the hour was, "The Exaltation of the Name of the Lord, by His People in a United Capacity," founded upon the 3rd verse of the 34th Psalm, "O magnify the Lord with me, and let us exalt his Name together."

At 2.30 p.m., the Union was called to order by the Secretary, Rev. J. W. Cox, in the absence of the Chairman, Rev. W. B. Forbush.

Rev. Mr. Austin led in prayer.

Mr. T. A. Monroe, of the Congregational College, was appointed Minute Secretary, and Mr. C. E. MacMichael, of St. John, Assistant.

A Nominating Committee was then appointed, consisting of Rev. S. Sykes and Rev. W. J. Minchin, who recommended the following committees:

*Business*—Revs. Cox, Sykes, Duff, Braithwaite, and Mr. C. E. MacMichael.

*Membership*—Revs. Austin, Minchin, and Mr. A. K. Moore.

*Finance*—Messrs, J. W. Jewett and C. E. MacMichael.

*Public Service*—Rev. A. Braine, Mr. T. A. Monroe, and Mr. C. E. McLeod.

The last session's minutes were read and confirmed. The sessional roll was formed, and there answered to their names the following:

## MINISTERS.

#### THURSDAY Evening, July 8.

The church was well filled at the evening service. The chairman presided. The opening devotional exercises were conducted by Rev. J. M. Austin.

Rev. E. E. Braithwaite, of Yarmouth, addressed the meeting ; his theme being "The Opportunities of Congregationalism."

1. As regarded Church Union. 2. With regard to traditional beliefs, and the parting from them. 3. With regard to the developing of a high type of spiritual life.

Mr. J. M. M. Duff, of Montreal, spoke upon "Our Canadian Congregationalism in this Jubilee year." He especially emphasized the necessity of commemorating this Jubilee year, by raising in each of the Provinces \$10,000 for the College Endowment.

Rev. Charles Duff, M.A., spoke of "Some present-day needs of Congregationalism."

Freedom from all forms of ignorance.

The fullest culture of the whole manhood.

Fidelity to the morality of Christ.

Fidelity to the inner Light.

Meeting was brought to a close by a hymn and benediction.

FRIDAY, July 9.

Devotional meeting at 9.30 a.m., led by Rev. E. E. Braithwaite; the theme being "Walking Uprightly."

The chair was taken at 10.30. A letter was read from Mrs. Shipperley, of Margaree, informing the Union of the death of her husband, Rev. James Shipperley, our esteemed Statistical Secretary, and asking for the prayers of the Union.

A committee was appointed to draft a Resolution of sympathy and condolence, to be presented to Mrs. Shipperley. The committee was composed of Revs. A. Braine and C. Duff, who reported:

The Congregational Union of N. S. and N. B., now in session in Milton, N. S., July 9th, 1897.

*To our beloved sister, Mrs. James Shipperley:*

Having regard to the great loss we have sustained, through the decease of our esteemed brother, Rev. James Shipperley, who served the Union in so many ways for so long a period of years, and having regard to the deep sorrow you have sustained, through the loss of an affectionate husband, we would publicly express our Christian sympathy and love to you; and pray that the God of all comfort may uphold you in this your deep bereavement.

Rev. James M. Austin read the Statistical Secretary's report.

#### DELEGATES TO AND FROM THE CONGREGATIONAL UNION OF ONTARIO AND QUEBEC.

Rev. J. W. Cox reported having been present at the Union held in Kingston, in June. He spoke of the kind reception he had received, and thought it was due principally to the fact that he represented the churches down by the sea; and was sure that the sister Union had the warmest regard for us; and he thought that the presence of such a large delegation from the West, now present with us, abundantly proved it.

Mr. Cox then introduced the accredited delegates from the Congregational Union of Ontario and Quebec:—Messrs. C. R. Black, J. M. M. Duff and R. W. McLachlan.

The chairman then called upon these brethren, who responded in a happy manner; Mr. Black, especially, conveying the warm greetings of the C. C. M. S., of which he is Treasurer.

He said the Missionary Society did not belong to the Ontario and Quebec Union, but was the Society of the Congregational Union of Nova Scotia

and New Brunswick as well. And it was the purpose of that Society to stand by these weak churches, venerable with age.

Mr. McLachlan, of Montreal, spoke of Quebec as being the pivot Province of the Dominion. With its surplus of Congregational missionary money, it reached out its hands to the needy churches in the West, and in the East. He said he was glad to bring to the brethren and the sisters of this Union the greetings of the Congregationalists of Quebec.

Mr. J. M. M. Duff, also from Montreal, said that while he also brought the warmest greetings from the Union of Ontario and Quebec, he felt that his visit had been a blessing to himself, and hoped the day would come when there might be a triennial council of the churches in Canada.

The following Resolution was then moved by Rev. J. W. Cox, seconded by Rev. A. Braine,—That this Union, having heard with great pleasure, the kindly greetings of the representatives of the Ontario and Quebec Union, hopes the time is not distant when we shall be more closely brought together, as pastors and members of Congregational churches in Canada. Carried by standing vote.

DISMISSION OF REV. W. B. FORBUSH.—A letter was read from Rev. W. B. Forbush, asking for a letter of dismission to the Brookfield Association of Congregational Ministers.

Upon recommendation of Membership Committee, it was granted.

REPORTS OF THE CHURCHES.—Encouraging reports were heard from Chebogue, Yarmouth, Sheffield, Keswick Ridge, Brooklyn, Beach Meadows, Milton, Liverpool, Lower Selmah, Noel, South Maitland, St. John, and others. Reports not quite so encouraging were received from Truro, Kingsport, Pleasant River, and some others; though none are entirely without some hopeful feature. Many of our churches are struggling with over-mastering difficulties. Churches without pastors—churches with depleted treasuries.

---

#### FRIDAY Evening.

An enthusiastic Missionary Meeting was held in the evening, presided over by the chairman.

The first speaker was Treasurer Black, of Montreal, who ably presented the claims of the Home Missionary Society. He pleaded for more liberality toward the cause of Home Missions. He said:—The sum of fifty cents per member would put our

funds upon such a sound financial basis, that we could meet all our needs.

Rev. J. M. Austin spoke on Foreign Missions.

Mrs. Norman McLeod sang with fine effect the solo, "Cast thy bread upon the waters."

Mr. R. W. McLachlan spoke a few practical words upon the need of Systematic Giving, mentioning Calvary church, Montreal, as an example of what can be done in that way to raise missionary funds.

Mrs. Harvey McLeod spoke on behalf of the L. M. S., which had that day changed their Constitution, and would henceforth be known as "The Congregational Woman's Missionary Board of N. S. and N. B."

Rev. W. J. Minchin closed with a few earnest words, upon the thought that God was yet to shake the nations, and especially the holders of His gold and silver; and those who have it now, had better be liberal while they can.

Collection taken for missions.

---

#### SATURDAY, July 10.

Devotional meeting at 9.30, led by Rev. W. J. Minchin.

At 10.30, Union Committee sat, when matters pertaining to Pleasant River, Kingsport, Truro, Economy, and the Gorham Estate were considered.

At 2.30 p.m., a Christian Endeavor Conference was held, in connection with the Union.

Reports were read from Christian Endeavor Societies:

*Brooklyn*, by Miss McLeod.

*Beach Meadows*, by the pastor, Mr. Duff.

*Keswick Ridge*, by the pastor, Mr. Sykes.

*Lower Selmah*, by Mrs. J. W. Cox.

*Liverpool*, by Miss Putnam.

*Milton*, by Mr. Frank Hutchison.

*Sheffield*, by Mrs. McKendry.

*Yarmouth*, by Mr. J. D. Dennis.

Rev. Mr. Austin spoke on "Christian Endeavor," as it relates to missions.

An open parliament was conducted by Elder Howard Murray, of the Christian church of Milton, upon "Dangers to be avoided in Christian Endeavor work":

1. Dangers to the success of the work.
2. Dangers of Endeavor work to other interests.

An open parliament was also conducted by Rev. E. E. Braithwaite, subject:—"Relation of Pastor to Christian Endeavor Society." The time allotted proved to be all too short for the discussion of these interesting themes.

---

#### SATURDAY Evening.

A "Christian Endeavor Rally" and mass meeting was held in the evening, presided over by Mr. F. H. Hutchison, County Christian Endeavor Superintendent.

The speakers were:—Rev. E. E. Braithwaite, Rev. H. W. Main, Rev. Austin Kempton, of Fitchburg, Evangelist Crossley, and Rev. J. W. Cox, 1st Vice-President Maritime Christian Endeavor Union, who brought the meeting to a close with a short but impressive Consecration Service.

The Baptist and Christian Young People's Societies took part in the meetings, responding to their names in roll-call of consecration.

---

#### SUNDAY Morning, July 11.

A united meeting was held at 10.30 a.m., addressed by Evangelist Hunter. All the ministers of the Milton churches were present, and assisted.

In the afternoon a Sunday School mass-meeting was held, addressed by Messrs. MacMichael, McLachlan, J. S. Smith, of Halifax, Revs. Austin and Kempton.

At 7 p.m. Rev. W. J. Minchin, of St. John, preached the Union Sermon, after which the Lord's Supper was observed, the pastor presiding, assisted by Revs. Sykes and Duff.

---

#### MONDAY Morning, July 12.

Devotional meeting at 9.30, led by Rev. S. Sykes. Special mention was made in the prayers of the brethren and sisters, on

behalf of our late Treasurer Woodrow, who is laid aside with a serious nervous illness.

At 10.30 business resumed. Rev. A. W. Main, of Danville, Que., delegate from Ontario and Quebec Union, having arrived late, was introduced by Rev. J. W. Cox, and conveyed in a few happy words the sympathy and affection of our western brethren.

A letter was read from Rev. James Blesedell, of Economy, N. S., asking for a letter of dismission, he having been received as a member of the Methodist Conference. After some discussion the recommendation of the Membership Committee, that it be granted, was carried.

A committee was appointed to look after the Economy church, as it is at present in a critical condition, on account of the action of the Methodist Conference. Rev. C. Duff to be convener of that committee.

#### IMPORTANT RESOLUTIONS.

##### Resolution upon the Queen's Jubilee :

The Ministers and Delegates of the Congregational Union of N. S. and N. B., assembled and in session in Milton, Queen's County, N. S., July 8, 1897, desire to place on record their esteem of the good and gracious Queen Victoria, and her beautiful and unimpeachable reign of 60 years : This Union resolves to express their gratitude to Almighty God for preserving to us so long, so great and so glorious a Sovereign, under whose rule material prosperity, education, science, art and religion, and that righteousness that exalteth a nation, have advanced more than under any crowned head that has ever occupied a throne.

Moved by Rev. C. Duff, convener of committee to draft resolutions.

#### TEMPERANCE.

To the Hon. Wilfred Laurier, Premier of Canada—

*Resolved*, The Congregational Union of Nova Scotia and New Brunswick, in convention assembled, desire to express our appreciation of the promise of your Government to have a plebiscite taken upon the question of Prohibition ; and we would urge that the question be submitted without any reference to the question of revenue.

Moved by Rev. E. C. Braithwaite, convener of committee to draft resolutions.

#### " CONGREGATIONALIST."

*Resolved*,—That in expressing our appreciation of every improvement that has been made in the "Congregationalist," we would heartily co-oper-

ate with the movement now being made to make further improvements. And to this end we would urge the churches to make every possible effort to increase the circulation of the paper, in keeping with a similar effort in the Union of Ontario and Quebec.

#### THE COLLEGE.

*Resolved*,—That we heartily renew our expression of confidence in the Congregational College of Canada, and urge upon all our churches its hearty support.

That in the retirement of Dr. Barbour from the Principalship, we would express our appreciation of the work he has done ; and pray that in his remaining days, the Great Head of the Church may graciously manifest His Divine Presence to him.

That we heartily welcome the new Principal, Rev. J. H. George, D.D., of St. Louis, Mo.; and believe that in his hands the best Educational interests of the denomination will be greatly strengthened.

We would further recommend to all our churches their most earnest co-operation in the effort to raise the endowment to a point which would go far towards making our College equal to any institution of the kind in the country. As Congregationalism has always and everywhere stood for the highest education, and can not afford to do otherwise, one of our most pressing needs at this time is a College where our young men can depend upon receiving as good a training as is possible anywhere.

Resolution in *re* settlement and dismissal of pastors.

Moved by Rev. J. W. Cox, seconded by Rev. S. Sykes, and carried :

*Resolved*,—That the churches of our Union be urged to exercise great caution, with regard to the settlement of pastors ; and both in installation and dismission, and in every important step, the council-system should be rigidly observed ; so as to preclude the possibility of admission to our Union of pastors disloyal to our distinctive principles, and unworthy of our fellowship.

A committee was appointed to consider the advisability of beginning work in Halifax. Rev. E. E. Braithwaite, *Convener*.

Rev. S. Sykes asked for assistance in his wide field ; especially for the winter months. He said, if a young man could be found, who could take up the work in the out-stations, and co-operate with him in the main church on the Ridge, he would remain for a while longer ; otherwise he must resign, as the work was telling upon his health. The case was committed to a committee. Rev. W. J. Minchin, *Convener*.

*C. C. M. S. Executive*.—For the year ending May 31st, 1898 :—Rev. J. W. Cox, Rev. E. E. Braithwaite, for N. S. Mr.

C. E. MacMichael, for N. B. Rev. S. Sykes, member of the General Committee.

For the year ending 31st May, 1899 :—Revs. J. W. Cox, E. E. Braithwaite, S. Sykes, and Mr. C. E. MacMichael, *General Committee*.

*Delegates to Corresponding Bodies*.—To Union of Ontario and Quebec—Revs. E. E. Braithwaite and C. Duff.

To Maine Conference — Revs. W. J. Minchin and J. M. Austin.

To N. S. "C. E. Convention"—Revs. J. W. Cox and C. Duff.

To N. B. "C. E. Convention"—Rev. J. M. Austin.

*Committee to Arrange Programme for Union, 1898*.—Mr. J. D. Dennis, Revs. E. E. Braithwaite and W. J. Minchin.

*Preachers for Union of 1898*.—Left to interim committee.

---

MONDAY Evening, July 12.

A large audience assembled for the farewell service.

There were no set speeches, but many of the brethren participated in a bright and happy manner.

The usual votes of thanks were carried with enthusiasm.

Rev. S. Sykes, our veteran minister, beloved by all for his work's sake, commended us to God in a fervent prayer. The parting hymn, "God be with you till we meet again," was sung, and the Union adjourned to meet with the church in Yarmouth, N. S., in the year of her Jubilee, July, 1898.

At September (but not at the June) examinations, an equivalent amount of other books or other authors in Latin and Greek than those named, may be accepted by the examiners on application made through the Professor of Classics. At the June examination, candidates from Ontario may present an equivalent amount from the books prescribed for the Junior Matriculation examination of the Toronto University.

For the literary and scientific subjects of this course, the students attend the classes of the Faculty of Arts in McGill College, according to the terms of affiliation with the University ; in which Faculty, this course extends over four years, and leads to the degree of B.A. But in the third and fourth years, Theological students are allowed exemptions from attendance on certain classes, should they desire it. Thus, the studies of the third and fourth year of this course are prosecuted simultaneously in the Faculty of Theology and in the Faculty of Arts. The work of the fifth year is confined to the Faculty of Theology.

## II.—THE SHORTER OR THEOLOGICAL COURSE.

The Theological Course proper begins with the third year of the Full Course, and extends over three full sessions. It embraces the following subjects :—(1) Systematic Theology ; (2) Historical Theology ; (3) Pastoral Theology ; (4) Homiletics ; (5) Greek Testament Exegesis ; (6) Church History ; (7) Evidences and Biblical Literature. A Preliminary year is added for students of the Shorter Course.

Students who enter for the Shorter Course only, in accordance with sec. 3, chap. 4 of the Regulations, are also required to attend the following classes in McGill, viz., English, Mental and Moral Philosophy, and Hebrew, and also to pass the examinations of such classes. After the first year the student may choose Hebrew or one of the Natural Sciences.

## SESSIONAL DATES AND EXAMINATIONS.

In the Arts department the session begins at the middle of September ; in the Theological, the first week in October ; and examinations are held at Christmas, and in the end of the session in the several subjects of the year. Students must pass these examinations as a condition of maintaining their proper status.

## MEDAL.

The Calvary Church Silver Medal will be offered for the best answering in a special examination in the final examinations of the Theological Course.

## REPORT OF THE SESSION OF 1896-97.

*Being the Fifty-eighth Session of the College.*

---

The session was opened with the usual public service held in the Assembly Hall of the College, on the evening of October 1st, 1896.

The Rev. Wm McIntosh, by invitation of the Board, delivered the address, which was much appreciated by all who heard it. For some time previous to the opening of the session, your Board had seriously considered the desirability of lengthening the term of the Theological or Shorter Course. This had been earnestly urged upon them by the petition of the students as early as April, 1894. The students were unanimous in the conviction that the reason why men elect to take the Shorter Course is not in order that they may the more speedily enter the ministry, but because of the great difficulty they experience in preparing for the entrance examination of the Full Course; having once entered the College they desire as complete an education as possible, and would welcome the addition of another year to their course. As this was found to be simply putting into practical effect Section 5 of Chapter 4 of the By-Laws of the College, and was considered by your Board a move-

ment in the right direction, provision was made to carry it out, and the re-modelled Four Years' Course was inaugurated.

Six applications for admission were received; three from Ontario, two from Quebec, and one from Nova Scotia. Of these, three were for the Full Course, one of the candidates being in his final year in McGill, and another having completed with honors two years' work in Toronto University. Failure of health on the part of one of the Shorter Course men, coupled with the charge of a country church, which is always too heavy a task for any but the very strongest, compelled his retirement before the close of the session, while another failed to pass the necessary examinations for his probation.

The sessional roll, therefore, at the end of the session, with the additional name of the Rev. R. Hopkin, of Westmount, who was received as a partial student, stood as follows:—

#### FULL COURSE.

	<i>Arts.</i>	<i>Theology.</i>
1. C. R. Ashdown .....	Fourth Year.	Third Year.
2. A. R. Ross .....	Fourth Year.	—
3. W. Johnson .....	Fourth Year.	—
4. A. B. Ross .....	Third Year.	Second Year.
5. R. B. Blyth .....	Third Year.	—
6. H. G. Rice .....	Second Year.	—

#### THEOLOGICAL COURSE.

9. J. L. Alexander .....	—	Third Year.
10. J. A. Mair .....	—	Third Year.
11. J. McGuire .....	—	Third Year.
12. J. E. Bradshaw .....	—	Third Year.
13. A. E. Harding .....	—	Second Year.
14. A. Secord .....	—	First Year.
15. Rev. R. Hopkin .....	Partial Student.	

A word or two in explanation of the re-modelled Shorter Course, which is now of four years' duration, may not be out of place at this point. Briefly then it may be said that by this course Theological students not undergraduates take in addition to their special theological subjects, all the ordinary courses in

McGill University in the department of English Language and Literature, as well as Mental and Moral Philosophy (including Psychology and Logic), as well as both Chemistry and Hebrew in the first year, after which they have the option of Hebrew or one of the natural sciences.

In this Course provision was also made last session for an introduction in the study of Mathematics as a salutary training of the logical faculties, and your Board was fortunate in being able to secure the services of Mr. E. Edwin Howard, B.A., an honor graduate in Mathematics of McGill, and a very able teacher, who took the class very thoroughly through the first two books in Euclid.

Prof. Warriner also continued his class in elementary Greek.

Another year, however, these two last named courses will not be necessary, as the Board has decided that the time has come to require candidates for the Shorter Course to fulfil the conditions of entrance set forth in Section 4 of Chapter 4 of the By-laws, and these include both elementary Greek and the first two books of Euclid.

We are aware that this will make it somewhat difficult, though not impossible, for men not trained in High Schools to enter even for the Shorter Course of this College, which is the reason why the putting in force of the By-law has been so long delayed, but your Board is convinced that it is necessary to the efficiency of the College, and that the present is an opportune time for an endeavor to realize our own ideals. Indeed, we must do this if we are to meet the demands of the time for a thoroughly educated ministry, or even to keep this institution on a level with others of a like nature in this country.

Two other departments were also added to the general work of the College, one on Elocution and the other on Sunday School work. Your Board has long felt the necessity of providing for the students a thorough training in Elocution, and for some years past has made repeated efforts to secure the co-operation of one or more of the other Theological Colleges in Montreal, as it seemed to them that this at any rate was a subject in which all the colleges might well unite, and so secure the best possible advantage at a moderate expense. These efforts, however, have invariably failed. Some sessions our students have attended the Elocution class of McGill, conducted by Prof. J. P. Stephen, but as there was no hope of that class being revived this session, your Board engaged Prof. Stephen to con-

duct a class in our own College. It is our hope that in the future every student will have a thorough training in that very necessary art of the preacher—the use of his own voice.

The Sunday School work was made possible by the kindness of the Sunday School Union of the Province of Quebec, which generously offered the services of its Secretary, Mr. Geo. H. Archibald, to the colleges for this purpose. We are glad to say that it was found possible for three colleges to unite in this Sunday School work, the Presbyterian, Methodist and our own. The class met on Saturday afternoons in each college in turn. Attendance was not obligatory. But Mr. Archibald, who is a thoroughly trained expert in S. S. work, made the class so interesting and profitable, that the students generally were eager to avail themselves of it, a large proportion of our own students being always present. An examination was held at the close, and three prizes were offered by friends of the S. S. Union, of which our students secured two, Mr. A. Secord winning the second prize, and Mr. E. C. Woodley, the third.

This work, conducted without expense to the College, deserves the best thanks of our Churches, and your Board has already expressed its gratitude to the S. S. Union, and its high appreciation of the work accomplished. It is impossible to say at present whether this particular work will become a permanent feature of the College curriculum. If it does, it will, of course, become obligatory, and will also become a charge upon our finances, as it cannot be expected that the S. S. Union will be able to give the services of its Secretary gratuitously year after year.

From the above it will be seen that your Board has actively striven to increase the efficiency of the College. The session has been a full, if not indeed a laborious, one, both to the students and their professors. It is, therefore, gratifying to report that with one or two exceptions, the health of both professors and students has been good, and the work of the classes conducted without interruption.

The Christmas and sessional examinations were duly held, and with satisfactory results.

The Calvary silver medal was awarded to Mr. J. McGuire, of the Theological Course.

Messrs. J. L. Alexander, J. McGuire, C. R. Ashdown, J. E. Bradshaw, and J. A. Mair have completed their course of study, and have received the certificate of the College to that effect.

Mr. Ashdown has received an appointment from the American Board to labor in Bitlis in Armenia, and has already departed for his distant field. Mr. Alexander has accepted a call to Middleville, Ont. Mr. Bradshaw has matriculated in medicine, intending to enter upon the medical missionary work. Mr. McGuire has received a call to the church in Kincardine. It may not be out of place to express just here the gratification of your Board that Mr. A. F. Pollock, who took a post-graduate course in Oberlin last winter, has accepted a call to Speedside, Ont; and Mr. R. G. Watt, who likewise spent last session in Oberlin, is now supplying the church in Fitch Bay, Quebec. We also note with pleasure that the Rev. G. Extence, a former graduate of this College, after a brief but successful ministry in Dakota, has returned to labor in Ontario. This College was founded by the churches of Canada for the training of a Canadian ministry. We have every reason to believe that our students loyally recognize this fact and heartily sympathize with it, and we rejoice at every new evidence that this is so.

We have also much pleasure in reporting that the Rev. F. J. Day, B.A., successfully passed his final examination for the degree of Bachelor of Divinity, which was granted him at the College convocation. As this is the first degree granted by this College, it is worthy of special mention. Your Board congratulates Mr. Day on his well-earned success and on his setting an example which they hope will speedily be followed by others.

The session was brought to a close with a large meeting in the Assembly Hall, at which the Principal and graduating students gave addresses.

Since the convocation official reports have been received from the Faculty of Arts of the University concerning the progress of our students attending classes therein. Messrs. C. R. Ashdown and A. R. Ross passed the examinations for the degree of Bachelor of Arts. Wallace Johnson having had to retire in the middle of the session on account of sickness, did not present himself for examination. Messrs. A. B. Ross and R. B. Blyth passed the third year examinations, the latter with First Rank Honors in Philosophy. H. G. Rice passed very creditably the examinations of the second year, also T. A. Munroe, while E. C. Woodley passed those of the First.

Some of the students of the Shorter Course also passed very creditably the examinations in those subjects allotted to

them. Others, however, not excepting some members of the graduating class, failed to pass in all their subjects.

We trust that this will not be the case in future years, and we have hope that the higher standard required for entrance into this Course will do much to bring about this result. But in addition to this your Board has seriously considered the advisability of postponing convocation until after the results of the McGill examinations shall have been received, in order that they may be reckoned in the granting of certificates from this College.

It also seems desirable that the session should be further lengthened by bringing forward the opening of the College to the middle of September, so that it may synchronize with the commencement of lectures in McGill. These two changes—the latter of which cannot well take place before September, 1898—will lengthen our session by about four or five weeks, which we think is also needed in the interests of an adequate ministerial education. As, however, the date of opening and closing the College is fixed by a special By-law, a notice of motion to change such By-law, and for the present to suspend it, will be presented to this meeting.

There are also several particulars in which the By-laws and regulations as at present drawn up are not sufficiently explicit, or else are out of harmony with our present judgment and our plans for the further improvement of the work of the College, and we would therefore suggest that the incoming Board prepare a new draft of the Constitution and By-laws for presentation at the next annual meeting.

We come now to that which has given your Board the greatest concern of all, namely, the permanent teaching staff of the Institution.

When Dr. Barbour, at the last meeting of this corporation, presented his resignation, to take effect at the close of this present month, your Board felt in common with all the friends of the College, that we had now reached a crisis in our history, and that upon the choice of his successor, the welfare both of this College and our churches throughout the Dominion largely depended. A meeting of the Board was therefore held while the Union was still in session, and a Committee was appointed to make all necessary enquiries, and to report as soon as might be convenient. The result of the enquiries of such Committee

was that the Board, acting on their recommendation, gave a unanimous call to the Rev. J. Henry George, D.D., Ph.D., Pastor of the First Congregational Church of St. Louis, Missouri, to become the Principal of this College. Dr. George gave the matter his earnest consideration, and we have much pleasure now in reporting that after having met your Board here in Kingston, he has stated that it is his intention to return to St. Louis, and resign his charge there in order that he may accept the call to the Principalship of this College.

We have also to report that Prof. Warriner intimated to the Board that he could not hope to continue his double work as Pastor and Professor another year. Your Board earnestly desired him to reconsider the matter, and to hold on to his present position for another session, as it was its desire and intention to take such steps as would enable it to offer him such a salary as would justify him in devoting all his time to this work. Mr. Warriner finally consented to endeavor to carry out the wishes of the Board.

In view of all these circumstances—the increased expenditure necessitated by the lengthening of the Shorter Course, and the sessions, the increased salary of the Principal to bring it back to the position in which it was before Dr. Barbour so generously yielded up five hundred dollars of it yearly, in order to lighten the financial burdens of this Institution, as well as the raising of a sufficient endowment to make it possible to secure Prof. Warriner's whole time—in view of all these things it is evident that a very large increase in the offerings to the College is immediately necessary so that its finances may be put on a satisfactory basis.

The Treasurer's report, we are sorry to say, will show that the finances of the College are in anything but a flourishing condition. We cannot but think, however, that our churches throughout the Dominion, and especially the wealthy members of our churches, will realize the gravity of the present moment, and rise to the great opportunity that is now before us, and determine that, let the sacrifice be what it may, the College shall be put in such an assured position that it may go forward, confident of the loyalty and affection of the people, and set free from the trammels of a chronic poverty.

Your Board has commissioned Mr. A. Secord, one of the students, to represent the College among the churches in

Ontario. We are glad to learn already of his very kind reception.

We have also much pleasure in reporting that one of the members of the Board, Mr. S. H. C. Miner, in addition to giving one hundred dollars towards the expenses of sending out Mr. Secord, has promised five hundred dollars a year for five years towards the salary of the new Principal. It is earnestly hoped that others who have means will emulate Mr. Miner's generosity and share his joy in giving largely.

In conclusion we would say that it has been a source of gratification to all that the health of Dr. Barbour has enabled him to prosecute his work without any intermission throughout the whole session, so that in bringing the tenth year of his Principalship to a close and in laying down his office, he does so with the consciousness of knowing that he has to the last fulfilled his engagements in the class-room. We know that we express the feeling of all our churches when we wish that God's richest blessing may attend him all the days of his life, and crown his many years of devoted service with His favor and love. It is according to God's providence that His work shall in the process of time pass from hand to hand, but whoever, at any time, lovingly and wisely puts his hand to the work of Christ lives ever after in the fruit of his labor. We hope that in the hands of the new Principal that work shall grow with the growing years.

It only remains to add that the Directors who retire by virtue of the time limit of their appointment, are Messrs. J. Smith, R. W. McLachlan, S. H. C. Miner, and the Rev. J. Wood. Prof. R. J. Harrington, who was elected a Director at the last meeting, declined to act, as his duties in McGill were at present too exacting to permit of his serving on the Board. It will be necessary, therefore, to elect five Directors at this meeting.

All which is respectfully submitted.

## TREASURER'S ANNUAL REPORT.

Last year when I presented the Treasurer's Annual Report I was able to report a balance on the right side, and increased contributions from all the Provinces.

I am sorry to say I cannot do so this year, but the opposite in both cases. The balance is on the wrong side, and all the Provinces show a decrease except Quebec.

In the month of September last, circulars, urging the needs of the College, were sent to all the pastors with envelopes for the collection, in time for the second Sunday in October, which is College day. I doubt whether the result justifies the labor and expense, from the returns it would appear as if the larger proportion of the churches never use them.

Comparison by Provinces of receipts last year and this. :

Quebec...	Last year, 14 churches,	\$1329.40	, this year, 14,	\$1402.38.	I.	\$72.98
Ontario....	" 39 "	1058.53 ;	" 37,	707.77.	D.	350.76
N. Scotia..	" 7 "	79.85 ;	" 7,	48.43.	D.	31.42
N. Brunswick	" 4 "	97.45 ;	" 1,	26.82.	D.	70.63
North-West	" 1 "	100.00 ;	" 2,	71.85.	D.	28.15
United States.....		10.00 ;		10.00.		
Totals .....		\$2675.23		\$2267.25	D.	1407.98
In Quebec 4 churches have not contributed.						
Ontario	26	"	"			
Maritime	11	"	"			
North-West	2	"	"			

In Quebec, of the churches contributing last year, six have sent reduced amounts, and two nothing, while three that sent nothing last year, have this, and four have increased their amounts.

In Ontario, of those contributing last year, twenty-eight have sent less, some a mere fraction of what they gave last year, and six nothing; five have sent more; and five that did nothing last year, did this.

In the Maritime Provinces eleven contributed last year and only six of these did this, and two that did not last year did this.

The largest subscribing churches in Ontario are Brantford, \$67.33, Toronto Northern, \$54.58, and Woodstock, \$50; all the rest are below fifty dollars.

In Quebec, Montreal Emmanuel, \$467.76, Zion and Calvary, \$105 each; Sherbrooke, \$97.65; Granby, \$88.07; Danville, \$50, Waterville, \$40. Collection not completed.

The rate of subscription per member, by Provinces, is as follows:—

Quebec, last year,	65 $\frac{7}{8}$ c.	per member ;	this year,	71 $\frac{1}{2}$ c.,	an increase of	5 $\frac{5}{8}$ c.	
Ontario,	“	17 $\frac{1}{4}$ c.	“	“	11 $\frac{1}{2}$ c.,	a decrease of	5 $\frac{3}{4}$ c.
Maritime,	“	14 $\frac{3}{4}$ c.	“	“	6 $\frac{1}{4}$ c.,	“	8 $\frac{3}{8}$ c.
North-West,	“	19c.,	“	“	13 $\frac{1}{2}$ c.,	“	5 $\frac{1}{2}$ c.

There was no agent sent to visit the churches this past year, but Student Secord is now in the West, in the interests of the College, and so far is being well received, his salary being paid by Mr. S. H. C. Miner, of Granby, who has also been a personal subscriber this year to the amount of \$300.

Loans to Students: Under this head, only one student required a loan this year, and repayments have almost equalled the payment.

On behalf of the House Committee I have to report maintenance less, but repairs very much more. Extensive repairs were commenced last summer, the first since the erection of the building, the bills being paid this year. I have to report that new furnaces will be required in both the College and Principal's residence, as well as general repairs to the residence, which will entail a larger expenditure the coming year than for the year just closed.

The result of the year is that revenue is short of expenditure by \$615.22, and \$390.01 has been added to the floating debt, which now amounts to \$4,242.12.

On behalf of the Trustees of the Endowment, I have to report a very small increase this year only thirty-three dollars having been paid in. There is still over two thousand dollars uncollected, all past due, and a large proportion of which I am afraid will never be paid.

The fund now amounts to \$48,475.51, but only the revenue of \$32,233.39 is available for the current expenses of the College, as \$8,000 is a mortgage on the Principal's residence, \$4,000 the interest goes to the donors during life, and the floating debt of \$4,242.12 makes the balances of the difference.

The Robert Anderson legacy has not yet been received, the trustees taking the full time allowed by the law to realize the estate.

I herewith present the financial statement duly audited.

The whole respectfully submitted.

THOMAS MOODIE,

## NOTICE.

---

It is becoming more than ever a practice among Christian people to recognize the Lord's portion in their Last Wills and Testaments, whereby though they be dead they speak and act in the furtherance of Missionary, Educational, and Benevolent objects. American Congregationalists are among the most wise and generous in this way, and have left legacies of blessings for succeeding generations. Among the members of our Congregational churches in Canada there have also been those who have followed a likewise generous course.

For the guidance of those who may desire to make like bequests, the following legal form is subjoined. The amount bequeathed may be devoted specially to the Church Extension and Building Fund, in which case the income would only be used, or may be given for the general purposes of the Society.

---

### FORM FOR A BEQUEST.

I give and bequeath to the Canada Congregational Missionary Society, incorporated by the Parliament of the Dominion of Canada, A.D. 1885, the sum of ..... out of my estate, to be paid ..... without any charge or deduction whatever; and I direct that the receipt of the Secretary and Treasurer of the Society shall constitute and be a sufficient discharge thereof.

The Treasurer shall have charge of the funds of the Society, disbursing them as directed by the General or Executive Committees, and shall present annually a full account of all receipts and disbursements.

The Superintendent shall be under the direction of the Executive Committee, to whom he shall report quarterly, visit the churches of the Congregational order within the bounds of the Society's operations with a view of deepening their interest in its work, and of securing liberal contributions for the Society, and shall explore new mission fields, secure missionaries for vacant churches, and have a general oversight of the interests and work of the Society.

#### ARTICLE VI.—MEETINGS.

The Corporation shall meet annually on the first Wednesday after the first Sunday in June, at the place where the Congregational Union of Ontario and Quebec assembles. A public annual missionary meeting shall be held on the evening of the next day. Special meetings for the despatch of special business may be called by the Executive Committee at such time and place as may be deemed desirable, provided that a month's notice be given thereof. The General Committee shall hold their meeting at the same time and place as the Corporation, at the call of the Secretary; and the Executive Committee shall hold their quarterly meeting at the time and place it may be agreed upon.

#### ARTICLE VII.—CHURCH EXTENSION AND BUILDING FUND.

He shall send to the Secretary a half-yearly statement of his work, on or before the first day of December and May in each year, and furnish such statistical returns as may be called for.

## ARTICLE X.—MISSIONS.

Each church requiring a missionary grant by the General Committee, must make application therefor through the Secretary, at least one month previous to the annual meeting of the Society, according to the printed forms provided, in which a certificate to the effect that all previous pledges of support to its pastor have been fulfilled, shall be inserted. Churches aided by this Society are required to make an annual collection for the funds, and to keep their property sufficiently insured; and such churches acquiring property, shall have inserted in the Trust Deed a clause providing that in case the church shall at any time be disbanded or cease to exist, the property shall revert to the Society.

## ARTICLE XI.—RECEIVING AND DISMISSING PASTORS.

Churches aided by this Society are required, as far as practicable, in the settlement and dismissal of pastors, to carry out the recommendations passed by the Congregational Union of Ontario and Quebec, in 1876, in relation to Councils. ## FORTY-FOURTH ANNUAL REPORT OF THE CANADA CONGREGATIONAL MISSIONARY SOCIETY.

---

Organizations depending on the voluntary contributions of the people are liable to suffer in times of financial depression. No societies are more likely to be thus affected than the missionary societies. Where the stress of no sacred obligation is felt, where a missionary society is thought to have but a merely sentimental basis, it is no matter of surprise that the missionary treasuries are not overflowing.

The absence of any regular means of stimulating and strengthening home missionary interest and loyalty in local churches, and defective systems of collecting contributions from the people, have also an important bearing on the prosperity of our Society's work.

Some churches there are whose methods are quite admirable. The various denominational objects have their places in the plan of the year's contributions. System and regularity are characteristic features. But there are other churches, more in number than is commonly thought, which have no intelligent definite plan of giving. First come first served. Collection for the loudest claimant seems to be the way of the work.

A study for the past year of the need of our churches as a whole, in the matter of their support of this Society, leads one to remark the great importance attaching to forethought and system in this as in every other good work.

The unpleasant task often imposed on ministers and special officers of making repeated and unwelcome appeals to contributors, would for the most part be rendered unnecessary if the local church only worked any intelligent plan earnestly and perseveringly. There is truly a great educational work to be done in this direction, and it must not be forgotten that the work of education is slow, very slow work. Hence our need as stewards of cultivating the virtue of patience.

Since last January, according to the special appointment of the Executive, I have sought to supply the lack of missionary

superintendency, as far as my duties to my own church would permit, in Central and Western Ontario. By visit and by pen, imperfectly, I know, I have striven to awaken new interest in the home missionary work. Each church visited and association addressed received me with cordiality. The Toronto Association heard me patiently while I reminded them of their shortcomings for the year past, and it is pleasing to record that brethren there have this year considerably increased their contributions to our Society.

Thinking it desirable that one Sunday should be observed as Home Missionary Sunday, the Secretary addressed a personal letter to every Congregational pastor in Canada, requesting that wherever possible, February 14 be a day of prayer for, and in remembrance of the C. C. M. S. We have reason to believe that in the greater number of our churches the day was so devoted. In continuing this practice it will be necessary not to interrupt in any way any well-understood arrangement of the Foreign Missionary Society, as by an inadvertence was the case this year. Distinct in some aspects, the two societies like double stars must be; yet it must not be forgotten that in a large way they are really one.

The action taken by the Union last year in appointing a committee on closer fellowship with our churches in the United States, in which action this Society was peculiarly interested, was duly communicated to the sister society, and was very kindly acknowledged by the secretaries. A readiness was expressed by them to co-operate with us in any way within their power. Several notable services have accordingly been rendered us by our brethren over the way. In response to our desire, the Rev A. J. Bailey, Missionary Superintendent for the State of Washington, visited Victoria and Vancouver in our interests, and thereby put us in possession of important information while cheering and guiding those far-distant churches. The cost of these visits to this Society was merely nominal, so that we are under a debt of gratitude to Mr. Bailey. We therefore desire to bear glad testimony to the courtesy of the brethren of the American Home Missionary Committee in this neighborly service.

It was the privilege of your Secretary to attend in July last the International Christian Endeavor Convention in the City of Washington, and to convey Canadian Congregational

greetings to the splendid rally of Congregationalists on the week day, and to the Congregational missionary rally on Sunday.

It was on the platform of the latter meeting that I first met and heard the Rev. W. G. Puddefoot, the earnest, successful and widely-known Field Secretary of the American Home Missionary Society. Then and there I invited him to visit us, and then and there he kindly consented to do so, subject to the will of his Committee. In fulfilment of which promise he is with us this week to cheer us, as he no doubt will, by his genial presence, and inspire us by his stirring speech.

In this connection we note with pleasure that the Rev. E. C. Evans, D.D., of Montreal, attended the annual meeting of the American Home Missionary Society, just held in Saratoga, U.S., and conveyed the cordial greetings of the C. C. M. S. to the brethren there assembled.

We thus rejoice that what legislation cannot do towards bringing men together, the missionary cause accomplishes. Though tariffs divide, service unites.

Some change in the ranks of the missionary pastors are noted. Rev. P. C. L. Harris has been settled in Victoria, B. C. Rev. J. C. Watt has left Brandon vacant. Rev. D. S. Hamilton, of Lake Shore and Ebenezer, has taken up the work in Point St. Charles. Rev. E. C. W. McColl, of Kingsport, N. S., is now pastor of Lake Shore and Ebenezer, and Rev. Thomas Hall, formerly of Point St. Charles, is now in Melbourne. Mr. J. McGuire, one of the graduating class of our college this year, has been called to labor in Kincardine. Rev. George Trotter Carr is pastor in Stratford, succeeding Rev. George Fuller, who has gone to England. Rev. Matthew Kelly is pastor in Listowel, the former field of labor of Rev. Robert Hopkin, of Westmount, Montreal. Rev. A. Lennox has been called to Barrie, Rev. J. H. Barnett to Bowmanville. Rev. H. E. Mason is pastor in Wingham, Rev. H. I. Horsey in Welcome Zion, Ottawa, and Rev. James Blesdell has taken up work in Economy. Rev. John Wood has resigned in Truro, and Rev. Jacob W. Cox has settled in Maitland (Noel and Lower Selmah.)

Correspondence has also been maintained with our friends of the Colonial Society in England. We thankfully acknowledge their goodness in making a grant of £75 stg., to aid the newly-organized church in Victoria, in British Columbia. We have put

forth some efforts toward a further enlistment of their practical sympathy for those places in the West where mining industries are concentrated, and likely to be operating for years to come. It is of course well not to be too hasty, but there is a time, surely, when a free, adjustable, catholic agency, such as Congregationalism is, can enter those energetic organizing communities with inestimable blessing to British Columbia and indirectly to the country at large. If we should delay to enter in now a great opportunity will certainly be lost.

Again would we emphasize the desirableness of our churches securing, and faithfully holding on to our Canadian trained men. With here and there a notable exception, the best work is done for the local church and the denomination by men native to our soil and trained in our institutions. It is to be regretted that occasionally a man trained in our College proves a disappointment to us, but, taken all in all, our denomination stands to-day, by the blessing of the Lord, on the lives and labors of men that are, and are determined to be, Canada's loyal and devoted sons.

In order that more progress may be made in our home missionary fields, we would in a word call attention to the importance of method in missionary collections, the value of accredited visitation to the majority of our churches, the advisability of a yearly day of common supplication for the Home Mission work, the advantage of missionary reciprocity with the United States and the Mother Country, the open door in British Columbia, and the encouragement of Canadian men for Canadian Congregational work.

Respectfully submitted,

A. F. MCGREGOR,

*Secretary.*

## CANADA CONGREGATIONAL MISSIONARY SOCIETY.

## REPORTS FROM OUR HOME FIELDS.

## ONTARIO.

EBENEZER AND LAKE SHORE. — Rev. E. C. W. MacColl, reporting for the half year of his settlement, writes in May :

During the five months of my service here, five have been led to seek fellowship with us on profession of faith. The spirit of harmony and earnestness is very marked. The Y. P. S. C. E. at both places heartily co-operate with the pastor and the church, and we therefore look for blessing on the labors of so many young Christians.

ST. CATHARINES.—Rev. W. Wye Smith. Mr. Smith, always prompt in reporting, in his December report, said :

If it were not for the Sunday school, our hearts would almost fail us. It keeps up well. Last Sunday, one hundred and two present. Average attendance for the year, eighty-eight. Our congregations are small. For the past few years the population has been stationary, and under the most favorable circumstances not many Congregationalists move in. I believe all our people give the Lord "the tenth."

May, '97 :

The County Gaol is regularly visited by the C. E. Society. A useful Junior C. E. Society is at work. During the year, made 424 pastoral visits. Our financial standing is better than the published statistics show, as repairs and improvements on the building, to the value of \$300, done this spring, will not appear, as our accounts are reported from January to January. The relations between pastor and people are all that could be desired.

KINCARDINE.—Rendered vacant by the call of Rev. C. E. Bolton to Garafraxa and Belwood. Mr. John McGuire, one of the graduates of our College last spring, has been called, and is earnestly at work in this needy field.

WATFORD.—Is no longer on our list of aided churches. inasmuch as, by the blessing of God on the very faithful labors of Rev. A. Margrett, the pastor, the church is now self-supporting.

STRATFORD.—Rev. G. Trotter Carr. In February, Mr. Carr wrote :

With all our care and economy, and we have cut everything down to the lowest notch, we are nearly forty dollars behind in the first six months of my pastorate. This, in addition to the old annoying floating debt, leaves us about \$230 in arrears on ordinary working expenses. It also makes us stand discredited in the community. I have committed myself and the church to this : "Sink or swim, *no more debt* for working expenses." Only last night we had a demand from the Gas Company for a payment of \$43, due before I took charge. Instead of paying for a Janitor \$60 a year as formerly, our young people have undertaken to keep the church clean, light the fires, etc.

The old parsonage is made to do new work. The large front room has been made cozy, and in it the Bible class, and prayer meetings are held. Our aim was (Mrs. Carr's and mine) to make it a "Congregational *House*."

Mr. and Mrs. Carr certainly merit all sympathy in their brave and unselfish struggle against strong "contrary winds" of cumulative unpaid church-bills, for which they were in no-wise responsible.

From knowledge gleaned by the Secretary while on the ground for a Sunday, much reason was found for encouraging a steadfast band of workers, in their really heroic adhesion to the Congregational cause, despite very serious odds against them.

HAMILTON, IMMANUEL CHURCH.—Rev. W. H. Watson. In December last, Mr. Watson reported :

This report embraces 26 weeks. Made 257 visits. Did a good deal of outside work. Have received 5 by letter and 7 by profession. We have 53 members all told. Financially, we are slowly getting to the point of paying our expenses. We have new platform chairs presented to us, and we hope to get a new pulpit soon. I was asked to go to Yarmouth, Nova Scotia, but preferred to stay on (that is, they wanted me to let my name be brought up there). Although at times I get discouraged, and feel like giving up to some one else, I go on again, and hope for better things. Our congregations are much larger, and more men come than ever. If we could only keep what we get ! but the neighborhood is so changeful. I am paid promptly to the day, and we hold every object of the denomination before us.

From Mr. Watson's report in May :

Audiences remain the same. Our membership has suffered by some removals.

[Mr. Watson has been blamed by some for his giving undue prominence to the cause of Missions, in view of the needs of the local work. It is no strange thing, however, that there should be such criticism ; such criticisms are heard in more than one field.]

We have only about ten Congregationalists outside of our own family in the church. It is therefore not easy to *enthuse* the people from a deno-

minational standpoint ! This is not by way of fault-finding, but explanatory of results.

WINGHAM.—Rev. H. C. Mason. Mr. Mason became the pastor of this church on the first Sunday in June, 1896 ; there being no pastor for the six months previous : Mr. Mason wrote last winter :

Owing to difficulties in connection with the previous pastorate, and to the vacancy, matters were in a rather unhappy condition. Congregations have steadily increased. The Sunday school is in a creditable condition. I superintend, and teach the Bible class. There is peace within our borders. The financial situation is encouraging.

In a later report, Mr. Mason says :

The floating debt has been cancelled by the prompt and self sacrificing efforts of the people. The congregations are three times as large as when I first came. Last Communion we received by letter five new members. Some four or five families have connected themselves with the church since the fall.

TORONTO, BROADVIEW AVE.—Rev. J. P. Gerrie, B.A. In his half-yearly report, Mr. Gerrie writes :

It has been a long weary pull to discharge building obligations, and at the same time meet the current expenses of the church ; and it has been by the strictest economy that we have been able to make ends meet. For upwards of three years the services of care-taking have been gratuitous, as have also been those of the Organist. All things considered, our congregations were never better. One pleasing feature is the attendance at our church services of quite a number of men and women who have not been attending any church.

A Junior C. E. Society has been organized since my last report, which is now one of the most flourishing institutions of the church. A Boys' Brigade is also reported for the first time, which already has the distinction of being *the largest in Canada*.

In the May report. Mr. Gerrie says :

Two additions to our membership in April, and two in May, were made. Four are before the church now for action. Six of the eight have been practically brought in from non-attendance at any church service. We have organized a series of Mothers' meetings, a programme of which is enclosed. The Sunday school, last week, went a little over 200 in attendance. The Junior C. E. has an attendance of 100.

From the above, and more that could be given from the pastor's reports, it will be seen that this church is one of the very best working churches in our Dominion.

BOWMANVILLE.—This church was supplied by Mr. Charles R. Ashdown, from May 1st to December 31st of last year. The

town has a population of 3,500, and seven churches. Two hundred and sixty are under the care of our church. Sunday school numbers 100. Sixty church members. Mr. Ashdown reported :

The attendance during the above period was very good, and an improvement on the year previous. Audiences ranging from 60 to 90 in the morning and from 75 to 150 at night. Homes were visited at an average of once in six weeks. I taught a Bible class of about 25 each Sabbath afternoon.

I want to bear testimony to the kindness of deacons, members and adherents, and would strongly commend the church to the best support possible from the Society.

Rev. J. H. Barnett has been called to the pastorate of the church, and is doing good work.

BARRIE.—Rev. A. Lennox. After the leaving of Mr. A. B. Secord for College, in July last, the church sought for a settled pastor, and after a while secured Mr. Lennox to be their pastor for six months at least. The financial question is the difficulty. The members are doing their best to retain the services of their present pastor, who is a graduate of Chicago Theological Seminary, and is spoken of as a man of devotion and spiritual power. There are eighty members reported: a debt of \$1200 on the property. The people deserve every support. In a town of 6,000 of a population, we need to be well represented.

LISTOWEL.—Rev. M. Kelly. Mr. Kelly entered on the work immediately on the departure of Rev. R. Hopkin for Westmount, and is laboring happily among the people. The church suffered by the death of Mr. Peter Campbell—a deacon—and for many years a worthy member. His will provides for his widow while she lives; and on her death, the proceeds of the estate, which is of considerable value, will be equally divided between the Home and Foreign Missionary Societies.

Listowel church is not strong, either in numbers or in finances: but it is, and for years on years has been, a church of loyal and spiritual members.

ALTON.—Rev. George Extence. The Society have come to the help of this church with a small grant, dating from January last. Having been so long without a pastor, Alton and North Erin churches have been weakening for the past two or three years. Back interest on the mortgage on Alton property, has

been a source of trouble. But brighter experiences seem now to be coming to the patient souls there. Mr. Extence has exerted himself to brighten the building and make it comfortable. The people have taken fresh hold, and all round the outlook is cheering. It is to be hoped, therefore, that Mr. Extence will remain pastor.

COBOURG.—Though without a settled pastor, services have been kept up in Cobourg, and the Society has sought to be of assistance to the loyal few that remain there. And to the extent of the Society's power, aid will not be withheld for the future year, should a suitable pastoral settlement be made in this—for many years—important church.

OTTAWA FIRST.—Rev. W. McIntosh. As the result of special Evangelistic services held last winter in the city, the First church has received a fresh blessing. Mr. McIntosh, writing under date of February last, reported :

Last Sunday we received 36 into membership, rather on the Wednesday evening previous. Thirty-three were with us at the Table. We had a service of two and a-half hours in length ; yet the people seemed to be unwilling to leave. The deacons told me that they never before had such a Communion season in the church. We expect to receive about 12 more next month. Over 100 in the prayer meeting.

Writing again, May 27th, Mr. McIntosh says :

Fifty-one members have, during the year, been added ; but perhaps the best blessing, is the quickening so many of our members have received. Our hope is, the steady reducing of the grant, and the increase of contributions.

OTTAWA WELCOME ZION.—Rev. H. J. Horsey, pastor. Summing up the year's work in May, Mr. Horsey writes :

The great need at the present time is an enlarged building, in order to do the best possible work, and afford sufficient school and church accommodation. The Executive of the church and school have decided to extend the present building, at an outlay of \$700 ; this amount to be provided for by the people.

Seeing that the church has been in existence but a year under Mr. Horsey's pastorate, the following facts and figures are certainly full of hope :

Families on visiting-register, 60. Families of the congregation, 48. Adult members of the congregation, 100. Members of the church, 37.

Scholars on roll, 140. Amount raised by the people, \$640. Debt on property, \$950. Valuation of present property, \$2100.

The church is well organized with prayer meetings, Senior C. E. and Junior, S. S. Teachers' class, Ladies' Association, etc., in active working order.

#### QUEBEC PROVINCE.

MONTREAL, PT. ST. CHARLES.—Rev. D. S. Hamilton, B.A., pastor. Report of work from July 4th, 1896, to May 1st, 1897, inclusive :

Average attendance at morning service about 125 ; evening, 200 to 250. This is better than last year's average, which was given in the YEAR BOOK as 200. Our weekly prayer-meeting has averaged 25 ; Senior C. E., 20 ; Junior, 35. The Junior Society has shown marked progress, as the average, 8 or 10 months ago, was not more than 20, and now is 50.

The Ladies' Aid Society contributed over \$70 to the funds of the church. The Ladies' Missionary Society has held monthly meetings ; distributed *barrels* ; paid the membership fee of \$10, *for the first time*, to the "Woman's Board." Nine additions to the church membership, four men, five women. The church joined in November last with the Methodist and Presbyterian churches, in a series of union evangelistic services, under the leadership of Mr. Gale, of Boston. Although there were few conversions reported among our people, as a result many of the church members received a spiritual quickening. Good work is being done in our Sabbath Schools ; and with our energetic Superintendent, Mr. Chas. Cushing, and an excellent staff of teachers and officers, the school promises to increase in numbers and usefulness.

I have made over 300 pastoral visits during the period under review, and the members of the Deacon's Board and of the Church Board have also done considerable visiting in their respective districts. I feel that visitation on the part of deacons and deaconesses should be largely engaged in, if the best results are to be reached. There are about 175 on our church roll ; a careful revision would considerably reduce this number.

Probably the chief event in the history of the field during the year, has been the separation of the Institute from the Church. This separation was unanimously endorsed at the annual meeting in January last. While many were disappointed at giving up the Institutional feature of the work, it was felt that the wisest thing to do in the interest of the work in general was to carry out the plan of separation.

Spiritually, I believe the cause is in much better condition than it was ten months ago. There is a wide sphere of usefulness for the church in this section of the city.

MONTREAL, WESTMOUNT.—Rev. Robert Hopkin, pastor. On the 9th June, 1896, Mr. Hopkin and 26 members, together with a representative council of the four churches of Montreal, duly organized Bethlehem Congregational Church, Westmount. By

May 19th of this year, 66 members were reported. Debt on the new property, \$5,600. The Sunday School has a membership of 70, an average attendance of 55. Last winter the attendance at the Sunday morning service averaged 60; evening, 125. The average at mid-week service is about 20.

The pastor writes :

In Westmount we are full of hope, not only for material things, but also for the spiritual.

With a church only one year old, already full of hope and promise, and a pastor optimistic in his every view, we shall except great things from Bethlehem, Montreal, by the blessing of the ever hopeful Christ.

EATON.—Rev. Robert Hay, pastor. Mr. Hay writes :

Our morning congregations are slowly increasing, and our Sunday School is improving. The Y. P. S. C. E. meetings are good and helpful. The Ladies' Helping Hand Society have on hand half the sum needed for the repair of our church building.

Writing in May, '97, Mr. Hay remarks :

In a region like this, where there are so many small churches of many denominations, the work is often discouraging. There is an amount of denominational rivalry that is demoralizing; and but for the fact that our people came first into the field, and that many of the old families cannot well be other than Congregationalists, my work would be discouraging.

During the past year, a young man formerly a member of this church (having been converted here), went out to the Congo as a missionary; and is, we hear, doing good work there. Other young Christians have gone, and still are going from us. At the present time the work is as hopeful as at any time since my coming.

FRANKLIN CENTRE.—Rev. J. L. Brown, pastor. Reporting for the first year, Mr. Brown writes :

The usual services have been regularly held, with an average of from 60 to 80. During the months of July and August, I was in Manitoba, on a visit; during which time my pulpit was very acceptably supplied by Mr. A. R. Ross, of Montreal, who has since become a student in our College. It has always been the custom to close the Sunday School during the winter months. We have done so this winter, but about the first of November we organized a school about 3 miles from the village, where a number of our families live close together. We have gathered in a number of Methodist families and one Episcopal; and the success has been such, that whereas it was intended to be a temporary arrangement, we are likely to make it permanent.

MELBOURNE.—Rev. Thos. Hall, M.A., pastor. Mr. Hall entered upon the work in Melbourne and Ulverton on the first Sunday in Oct., 1896.

There are three church buildings on this mission field ; one in Melbourne ; one in Ulverton, 8 miles from Melbourne ; and one in Danby, 20 miles distant. The Melbourne church has a debt of \$2,000, which taxes the congregation beyond its strength. The other buildings are out of debt. There are over 60 families connected with the Melbourne church, and about 40 in the Ulverton neighborhood ; but many of the families in both churches are discouraged and dissatisfied, owing to causes arising out of the former pastorates being short or unsavory. I have preached 93 sermons during the half year, and conducted over 30 prayer-meetings, and made about 200 pastoral calls. I usually attend both Sunday Schools, and one C. E. meeting during the week. I have given only one service at Danby. The roads have been bad, and we have but 4 families nominally connected with the little church.

The ladies are attacking the church debt in Melbourne vigorously ; and during the year we hope to take another slice off it. There has only been one addition to the church roll, and that in Ulverton.

Mr. Hall's report in May speaks of a "campaign" arranged for the month of June in Ulverton. He had to deny himself the pleasure, therefore, of attending the Union Meetings in Kingston.

AYERS FLAT.—Rev. C. Moore, pastor. Under date of May, Rev. Churchill Moore writes :

I thank God that he has been so good to us, in that he has blessed us and prospered the work of our hands. Our services here and at Boynton have been as well, if not better, attended, than any previous year since I came to this field. What we never were able to report before, the Sunday School at Boynton has been kept open the year round, with good results. The C. E. S. meets on Sunday evenings, and blessed meetings we generally have. Nine have united with the church during the year, all on confession of faith ; the majority coming from the C. E. S. and the S. S. Death has removed two men of usefulness and influence, Mr. T. D. Brainerd, of Boynton, and Mr. M. E. Hunt, of Ayers Flat. Being the only resident minister, I have a great deal of pastoral work to do ; for the field is quite extensive. As far as I know, there exists mutual love and sympathy between pastor and people.

FITCH BAY.—This field has been without a settled pastor. The church has given an invitation to Mr. Watt, who has just taken a post-graduate year at Oberlin.

#### MANITOBA.

BRANDON.—Left vacant by the unexpected resignation of Rev. J. C. Watt in January, has been greatly discouraged.

When all seemed to be going on well, the pastor's decision to remove came on the church like a bolt from the blue. They have not been able to secure a pastor since. Sunday services have been kept up by temporary supplies, and there is a probability that Rev. J. L. Brown, of Franklin Centre, will be settled as pastor.

WINNIPEG, MAPLE ST.—Rev. D. H. Jacobs, pastor. The pastor reports the different organizations of the church active and vigorous.

Our Sunday School is doing good work, and its prospects were never more hopeful and encouraging. Some of our best church workers, however, and our most substantial supporters, have removed from the city ; and because of these losses we find it hard to hold our own. We have 47 members in all.

#### ALBERTA.

WITASKIWIN.—Rev. A. Linde, pastor. Mr. Andreason, on behalf of the church, reports in May, 32 church members ; 20 men, 12 women, 120 adherents. Three preaching stations. There will likely be a change of pastors in the near future. The field requires much visiting, and great earnestness in work. The people are willing-hearted, and they enjoy meeting in their new church building.

A letter from the pastor was published in the *Congregationalist and Independent* last winter.

#### BRITISH COLUMBIA.

VICTORIA.—Rev. P. C. L. Harris, pastor. Valuable service has been rendered to the Executive of the Society by the visit of Rev. A. J. Bailey, Home Mission Superintendent for Washington. Mr. Bailey visited, at our request, Victoria last October, and gave a full report of his visit.

Spent a Sunday with the church, and on Monday spent the day in looking over the city, and in conference with the leading men of the church in the evening. They reported then, 23 members. Attendance Sunday morning, 60 ; evening, 80 ; at S. S., 42 ; S. C. E., about 12.

The people impressed me as intelligent, thrifty and thoroughly Christian. A good class, equal to the responsibilities of a strong church. The church at present holds services in a building, once a church. Mr. Harris, now supplying with a view to a call, was born in Nova Scotia ; and has labored, I think, in the Methodist church in Canada for several years. He is thoroughly Congregational, although not trained in that way. I think that there is a good and a large field for the Victoria Congregational church.

Not long after Mr. Bailey's visit, the church gave a call to Mr. Harris, which he accepted. The Colonial Missionary Society, together with our Society, make a special grant for the work in Victoria.

#### NOVA SCOTIA AND NEW BRUNSWICK.

TRURO, N.S.—Rev. John Wood, pastor, wrote on

December 31st. — As to the general outlook, congregations are no larger; and only one addition has been made to the membership, by profession renewed. We have lost two members by death. We have organized a Junior Endeavor Society of nearly twenty members, which is progressing well.

May.—I cannot but believe that the Spirit of God has been moving upon some hearts among us, although no new members have been received. Two received after special services the previous winter, have been removed by discipline, and five have left Truro, although not yet formally dismissed. The Sunday School is doing well. Finances are well kept up; \$30 have been raised for Home Missions; \$12.36 for Foreign. For reasons already named to you, my work closes here May 31st. [Long and faithfully has Mr. Wood labored. His resting is well earned.]

ECONOMY.—Rev. James Blesedell, pastor:

When we came here in the month of June, we found the Church in an almost hopeless condition. Our congregations have increased however, and the friends say that they are now as good as they have been for years. Sabbath School and C. E. S. are doing good work. The financial outlook is not encouraging. The revision of the Roll is now under consideration.

LOWER SELMAH AND NOEL.—Rev. J. W. Cox, B.A., Pastor. Mr. Cox began work here in October last. The churches had been without a settled pastor for more than a year. Mr. Bradshaw, student, had rendered acceptable service for four vacation months. Mr. Cox reports:

I minister to the two sections of this field on alternate Sabbaths. I am glad to say that the congregations are increasing. I conduct one weekly meeting in each church, devoting part of the time to musical instruction. This has awakened a lively interest among the young especially. The Y.P. S.C.E. of Lower Selmah is in quite a flourishing condition, as also the Union Society. Services in Maitland Village have been discontinued owing to the few belonging to us there, and the expense of a winter's service. The field is a very wide one, 27 miles in extent. My home is midway, in Lower Selmah.

MILTON.—Rev. A. Braine, pastor:

The church has lost one of its best supporters, Mr. James Tupper, the second son of the Honorable Freeman Tupper, formerly of Liverpool and

Milton. The present beautiful structure at Milton was built through his influence and liberality. The attendance at public worship has improved, and during the Pastor's discourses lately given on "Evolution and a scientific gospel," large numbers were present, and expressed their pleasure and interest in the subject.

Mr. Braine is a geologist, and has had most of the teachers and masters of the public schools there, under his instruction.

Several members have been added to the church. The Ladies Missionary Society and Sewing Circle continue their noble work. The church building has been substantially and thoroughly repaired. Altogether we seem to see "a bright light in the clouds."

CHEBOGUE, N.S., Rev. J. W. Purdon, pastor. Writing in May, Mr. Purdon says :

I close the 4th year of my Canadian pastorate, thankful for undisturbed happiness among my people, and greatly encouraged as to my work in this oldest church in the county, and the oldest but three in the Province ; dating from 1767, six years after the first English settlement here. Bravely has the church battled for 130 years, through the dangers and changes of an old outpost. At present we have but one other church of our Order within 117 miles. All the trials of a country church are our's, reckoning with distance, storm, mud and snowbanks ; but the retrospect of what has been done excites grateful surprise.

KESWICK RIDGE, N.B.—Rev. Simeon Sykes, pastor. The officers of the church write :

Since our present pastor has returned to us, we have got along well. Old breaches, if not altogether healed, have been wonderfully lessened by the influence of our good Pastor, who has the unanimous goodwill of the church and congregation. By the Ladies' Aid and Missionary Society our church edifice and parsonage have been much improved ; and annually a credited amount has been sent to the C.C.M.S. We sent \$60 making a special effort to help to wipe out the missionary debt. There are in the whole field 115 members ; 39 men, and 76 women. The friends are doing exceedingly well in supporting the local work.

LIVERPOOL, N.S.—Rev. G. W. Ball, pastor.

"The straitened state of our finances, resulting from losses by fire, and subsequent necessary expenditure, render it an absolute necessity that we present an application for a grant of \$150, which we do under claims of Jedidah Gorham's will." This sentence, from a communication from the trustees, dated May 7th, 1897, explains the reasons why the Liverpool Church is compelled to place itself on the list of specially aided churches.

MARGAREE, CAPE BRETON.—Rev. J. Shipperley, pastor.

Mr. Shipperley, under date of January 4th, wrote :

I have pleasure in stating that we have a steady attendance with continued interest in church matters. The pastor's hands are sustained and his work encouraged by some earnest Christian brethren, who ever show a readiness to co-operate in S.S. and Y.P.S.C.E. work. Our new S.S. among the mountains is perseveringly maintained. The parsonage has been painted this year, as the church edifice was painted last year.

On 3rd June, Mr. Shipperley wrote :

In consequence of my bodily weakness after a somewhat severe illness, and my intimation that I may deem it to my duty to retire from the pastorate, no application has been sent for aid for this year.

Tidings have just been received of Mr. Shipperley's death. The faithful servant has been called to the heavenly rest and glory.

## CANADA CONGREGATIONAL MISSIONARY SOCIETY.

## TREASURER'S REPORT.

*For Year Ending May 31st, 1897.*

I herewith present the financial statements for the year just closed, embracing receipts and disbursements, with statements of the General Mission Fund, the Shurtleff Mission Fund Revenue Account, the George Robertson Evangelistic Fund Revenue Account, and the Church Extension and Building Fund Revenue Account, all duly audited by the Society's Auditors.

With regard to the General Mission Fund, we began the year with a surplus of \$405.02, and this year closes with a surplus of \$435.60. It is a matter for sincere thankfulness that for two years in succession the balance is on the right side, but we must not remain content with this. The regular contributions for the year are \$140 less than last year, and \$1,000 less if the subscriptions for the debt are taken into account. Taking the total church membership for Ontario, Quebec, Nova Scotia, New Brunswick and Manitoba, the average subscription per member is  $28\frac{1}{3}$  cents; and by Provinces, for Quebec,  $56\frac{3}{4}$  cents; for Ontario,  $17\frac{3}{4}$  cents; and for Nova Scotia, New Brunswick and Manitoba,  $38\frac{1}{2}$  cents.

Had the churches responded to our modest request of last year for an average membership subscription of fifty cents, the treasury would have been \$2,000 richer to-day, and the Executive could have answered the urgent call for the opening of new and promising fields in British Columbia.

As Congregationalists we have a distinct work to do in Canada; therefore let us believe in ourselves—not apologize for our presence. Our church principles are gaining ground all over the world. We are blessed with freedom to think and to act for ourselves, and we ought to be proud of our liberty; but if we are, it becomes us to work together most heartily to spread those principles all over our common country, and the practical

way to do this is to be thoroughly loyal to the Home Missionary Society. To this Society is committed the work of so spreading these principles, and the means entrusted to it will be judiciously applied for this purpose. We could do splendid work with double the amount received, and we ought to have it.

British Columbia is asking our help to establish at least two churches in the populous gold mining districts there, where there are a number of Congregationalists; but we have not the means. Shall we have to let such golden opportunities slip?

It is for the churches to decide; but the responsibility is great.

Here are a few figures which are worth the serious consideration of our churches: In 1888 the subscriptions reported from Canadian churches for this Society were \$6,900; in 1889, \$5,700; in 1890, \$6,900; in 1891, \$5,900; in 1892, \$2,700; in 1893, \$2,900; in 1894, \$2,500; in 1895, \$3,200; in 1896, \$4,400; in 1897, \$3,464.

Now, the condition of our churches to-day as a whole is not so encouraging as it was six years ago. Has the withholding of the tithes, in so far as Home Missions are concerned, anything to do with this? "There is that scattereth and yet increaseth; and there is that withholdeth more than is meet, and it tendeth to poverty."

With but few exceptions, all our churches over this wide Dominion have been helped into self-support through this Society; therefore each of those churches owes it a debt which can only be paid by enabling the Society to do for new causes what was done for them.

During the financial year the Executive paid in grants \$714 more than last year. One-third of this amount has been expended on the new cause in Victoria, B.C., and it is gratifying to note that the Colonial Missionary Society has agreed to contribute one-half of the amount we shall expend on that cause for a reasonable period.

By districts, the increases in contributions are as follows: Ontario Central, \$123; Nova Scotia and New Brunswick, \$181; and the decreases: Ontario Eastern, \$100; Ontario Western, \$12; Quebec, \$95; Manitoba, \$67; and Special and Personal, \$174.

In view of our slow denominational progress in Canada the question is a vital one, how can we change this?

I have no hesitation, after an experience of thirty years in official connection with our various societies, in replying, *by thorough loyalty to our own distinctive work in the Dominion.*

Had we been as loyal to this as we ought for the past thirty years, I believe our progress would have been doubled.

The work of Home Missions and of our College are the interests that demand primary consideration from all churches. If these institutions are generously supported, our work in the country as a whole will increase and flourish ; if they are not so supported, we need not look for increase or improvement.

A great deal of time has lately been spent in discussing radical changes in methods and in government, the results of which have been to show wide differences of opinion on the subject, which it would be most difficult if not impossible to reconcile ; but we can all agree on two points : first, true loyalty to Congregational principles, and second, earnest co-operation in spreading them all over our common country. And here the influence of the pulpit must come in.

Our ministers are naturally looked upon as our leaders, and church education on these points must come from them. There has been in the past far too little of this kind of education, hence so many of our people lack the enthusiasm necessary to success. Given loyal and enthusiastic pastors, and the result will soon be a loyal and enthusiastic people.

Respectfully submitted,

CHAS. R. BLACK,

MINUTES OF THE SIXTEENTH ANNUAL MEETING.

---

The annual meeting was held in the First Congregational Church, Kingston, Ont., on June 10th, 1897, being Thursday, at 2 o'clock p.m. The meeting was called to order by the President, Mr. S. P. Leet, B.C.L. A hymn was sung and prayer was offered.

The report of the Board of Directors was read by the Secretary, Rev. E. M. Hill, M.A., and the Treasurer's report by Rev. W. T. Gunn, M.A.

It was moved by Rev. John Wood, seconded by Rev. T. B. Hyde, and carried, "That these reports, as read, be adopted and printed in the YEAR BOOK."

The Secretary reported a recommendation of the Directors, "That 1,000 copies of his report be printed separately for circulation, and also that a new edition of the "Mission Sketches" be issued, after being brought down to date. It was so ordered by vote.

The Secretary then made an address, illustrated by a wall map, showing the position and plan of the station premises and buildings at Chisamba.

A list of nominations for officers and directors was laid before the Society. It was adopted as recorded on the first page of this Society's report.

An address was made by Miss Dougall of Montreal, a Vice-President of the Woman's Board, in which she outlined the methods and work of that Society and laid stress upon the use of missionary literature.

The meeting was brought to a close about 4 o'clock by the Benediction, pronounced by Rev. T. B. Hyde.

(Rev.) J. T. DALEY,

*Minute Secretary.*

On Friday evening a public meeting of the Society was held, with the retiring President in the chair. Addresses were

made by Rev. C. H. Daniels, D.D., Home Secretary of the A.B. C.F.M., who came from Boston for that purpose. Also by Revs. T. B. Hyde and E. M. Hill, and by Rev. Dr. George, the newly elected principal of the Congregational College.

### SECRETARY'S REPORT.

---

The sixteenth year of this Society's life has now passed. We are grateful that God still permits us a share with Him in the great missionary work that brought Christ among men. Your Executive Committee has been busy keeping our opportunities in Africa vivid to the eyes and close to the hearts of the churches.

In accordance with your direction, we printed 5,000 separate copies of the Annual Report; but we do not believe they proved to be of sufficient general interest to warrant the expenditure involved.

We also printed copies of a very interesting report sent by Mr. Currie. We called it an "Institutional Church," for it is so as truly as any of the churches of this land that are so called. Mr. Currie's appeal there for a mill with which to grind corn, has not yet brought a response, and we have not yet been able to settle on the form of mill that would be serviceable. But we hope this need of our station will not be passed over by the generous givers.

In the month of January we sent out the annual appeal for "More Oil for the Light in Dark Africa." The months of January and February were the time chosen by vote of the Union two years ago, as belonging to this Society. We would like, so far as possible, that that be the time of making the offering to our Foreign work, though liberty must be allowed for varying circumstances. This year we did not send out red envelopes to all the churches, as formerly, to use in their collections. We offered to send them to any who asked for them; and are pre-

pared to do that at any time. We made this change because so many packages were thrown aside and neglected.

“MONTHLY LEAFLET.”

We appreciate the value to our common work of this little sheet published by the Woman's Board. We urge that it be taken in all our churches, for it gives so much fresh news about our missionaries in Africa. It is well worth the 10c. a year it costs.

We congratulate the Woman's Board on another successful year of action. Their thorough organization and never-ceasing attention to the small contributions, results in good totals, and as it represents the work of the mothers and home-makers and teachers, it will bear larger fruit in the years to come. Their total income has been about \$300 in advance of last year, \$2,800 in all.

CHISAMBA CHURCH.

It has been a year of growth and expanding labors in the missionary church. Ngulu is still its faithful and wise pastor, with qualities that would adorn any church in civilized lands. Several of the older members, with the evangelist-deacons, go among the surrounding villages to hold services.

The Woman's Board sent a Communion set, which was used first on October 18, 1896: and a Baptismal bowl, which was used for the first time to baptize Njangelo, a bright young girl, who, at the December Communion, made the thirtieth member of the church.

Each week, two of the evangelist-deacons go away among the villages, preaching, from Monday till Saturday; and on Sundays, a number of young men go among the nearer villages, preaching.

During the year, they have begun to send one of the evangelists with each caravan to the coast, to hold evening and morning worship; and to watch over church members. When our boys go to the coast, they refuse the rum that is always offered them by the traders. At first, the clerks said: "Where do you fellows come from, that you refuse rum?" Now, they say: "It is no use offering these Chisamba boys drink."

The members of the church are learning to give money for evangelizing the world. While trying to support their own

church, and sending evangelists to the surrounding villages, they make offerings for foreign missions. It may not be a large gift, but it is more than many small churches do in civilized lands. They have more than once sent a gift to Turkey. A church that is itself aided, should begin to hear Christ's orders to send the Gospel to the regions beyond. It will not be long before the Chisamba church will be "hiving off" to some neighboring field.

#### THE SUNDAY SCHOOL

Still has Muene-Kanye as its Superintendent, and they have more than a hundred present at some sessions. This is the great hope of the mission. It is pathetic to hear the old people say, when the missionaries talk with them—"We are too old; it is too late for us." But we will not cease to pray that even they may gain such glimpses of the Saviour, that they will become sparks of the divine life.

#### INDUSTRIAL DEPARTMENT.

This is in active and promising condition. The Portuguese Governor of Bihè paid them a visit last autumn, and showed much pleasure in the appearance and work of the station. He gave an order for some work, that kept the blacksmith and carpenter shops busy for several months. Traders and native chiefs have asked for the help of the young men; and three or four were sent on the express condition that they be allowed to hold a Gospel-meeting every night.

Mr. Currie made an arrangement with Mr. D. J. Smith, to spend a year at the station, and to help in the Industrial Department. Mr. Smith has for four years been connected with the English Mission at Lovali. Before that, he was working in connection with the Mildmay Conference. The letter that refers to this plan says: "We hope to make the work done pay his support, and are responsible personally for any shortage. Under his direction, our young men are sawing good boards and making them into window sashes, doors and furniture. For these, together with what is needed at the station, we have orders sufficient to keep from six to a dozen young men steadily employed during the whole year."

#### SUPPORT OF BOYS.

A number of schools and individuals give money for the

support of boys who are studying at the station. This money is not given outright, but is used to pay for work. So, both boys and mission-premises are helped. In the last calendar year, \$235 worth of work was done, for which we have the following tangible results :

A new carpenter shop, worth.....	\$100
Adobe fence .....	60
Gates .....	10
Thatching houses.....	65

At the same time the young men were learning in school, and doing evangelistic work among the surrounding villages. Nearly thirty lads have houses of their own that they have built, and they are worthy of a visit for neatness and great improvement over the native style of living. But if all gifts went to supporting boys, who would support the missionaries?

We recognize that a personal object to give for, helps to educate many in missionary giving. So far as possible, we try to arrange such objects for some schools and individual givers. But for the older givers, it is better to give to the general fund.

#### MISSION PROPERTY.

Last December, Mr. Currie reported the following inventory of buildings, etc., which will be of interest to the friends of the mission, and to stockholders :

Mr. Currie's house . . . . .	\$550
Ladies' house . . . . .	450
Dispensary building . . . . .	75
Store (formerly work-shop).....	100
Memorial School-house.....	500
"Miss Clarke Memorial Houses".....	50
Grinding machine . . . . .	48
Medicines and instruments.....	250
School materials.....	75
New carpenter shop.....	100
Adobe fence .....	125
Machinery and tools belonging to "Self-Help Department" .....	450

To the list of buildings there will soon be added the Memorial Hospital.

#### THE MEDICAL DEPARTMENT.

Dr. Johnston, who visited Chisamba on his tour across Africa, said that during the time of his stay at the station, a larger number of patients came daily to the Dispensary there, than he saw at any station in Africa. This work has been too heavy for Mr. Currie, and especially as he has not had a complete course of medical study. It took time also that he wished to devote to other work that he could do better. At first he charged nothing for treatment. But he found the natives imposing upon him, and white traders coming for free treatment. So he began to charge small fees, and this branch of his work is about self-supporting now. Last year he received \$13 from natives and \$120 from white men; besides a few sums as special gifts from foreign friends.

The nursing skill of Miss Helen Melville makes much of this work possible, which could not otherwise be done. We can imagine what an influence it must give her, when, with her gentleness and skill, she binds the wound, and soothes the fevered brow, and tells her patient at the same time of the good Physician for troubled souls!

The Woman's Board undertook to build a new Hospital, as a memorial of their late Treasurer, Mrs. Ella F. M. Williams, of Montreal; who had so much influence in fashioning the policy, as well as giving energy to that Board. \$600 has been raised, and the Hospital will no doubt be immediately built. Mr. Currie offered \$200 toward the Hospital. We want this to be noticed, when so much is said about 20 cents a member given by our churches, and the sacrifices made by the home givers.

#### A NEW MISSIONARY.

A year ago the Society authorized their Executive Committee to find a suitable medical man, with full training, to go and relieve Mr. Currie. They have sought and found a man who seems in every way the man of Providence. R. O. Ross, B.A., M.D., was graduated from our Theological College five years ago, coming from the little mission church at Margaree, B.C. He immediately entered upon a medical course, to prepare for missionary service. A year ago he took his degree, and has

been for a year practising in the country about his old home. Zulu-land had been his dream, but the way was not open for him to go there, and when we laid the need of our field before him, he thought he heard God's voice, and has accepted. A few days ago he was married in Danville, Quebec, to Miss Lillian Brown. Those who have known her speak well of her fitness for the sphere before her.

The plan proposed by the Executive is this: Our indebtedness now is only a little over \$100, and while Mr. and Mrs. Currie are our only missionaries, our average income exceeds our expenditure by enough for another's salary. We will let this income accumulate during the year, while making efforts for special gifts; because outfit and passage will cost us \$1,500, and we do not like to go into debt for it. At the beginning of next year, we will begin to pay Dr. Ross his salary, and have him make a tour of the churches. Then in May of next year he will sail for Africa. They have not yet passed the thorough examination of the A. B. C. F. M. in physical condition; and we have always deferred to their judgment in such matters very much. While we hope our plans may be carried out, yet we must give prominence to this uncertainty. We do not wish to send out any who are in danger of succumbing to climate soon after landing.

#### A NEW SCHOOL HOUSE.

This was built during the year, with the remainder of the Clara Wilkes Currie Memorial Fund, raised by the women. It is the largest building they have yet erected. We cannot tell just how many it will hold, but it was not equal to the audience of 800 that gathered for the Christmas service and festivities. They hold worship and day school in this building.

I have not seen any recent statistics of the school attendance; but a year ago, they had 30 in the Senior school. And in the junior Department the Boys' school had 24 on the roll, with an average attendance of 15; and the Girls' school, 21, with an average of 8.

#### A NEW KINDERGARTEN.

This is a feature of the work that has been added this year in the day school. The teachers are as delighted with it as the children; and the letters are as full of it as a friend's letters.

would be when the first baby came to their home. It will be a substantial addition to the influence over the homes of the people. There are 42 little tots on the roll. But the running record must be read in the *Monthly Leaflet* to be enjoyed. Mrs. Read, of Sakinjimba, and Miss Fay have translated several of the popular Kindergarten motion songs. They sadly lack the equipments that our home children are so well provided with; and during the next year effort will be made to send out some equipment for this department.

#### THE YEAR'S FINANCES.

The Treasurer will report in full. But a few items will be fitting here. This year the regular subscriptions to African work have been \$165 in advance of last year. But when legacies, Indian famine, Armenian and such special funds are counted in, there is a decrease of about \$165 from last year. Each of the Provincial totals has shown a decrease except Ontario, which has shown an increase of \$359.

A point in which your directors are particularly interested is the number of contributing churches. And also there are 38 churches in the Dominion this year that have sent this Society nothing, and this is more than last year, instead of less, as it should be. Look at it: in Ontario, 27 churches sent nothing. In Quebec, 1 church. In the Maritime Provinces, 10 churches.

#### NINETY-SIX PER CENT. REACHES AFRICA.

There is a slander that dies hard because it has been so much a favorite with the critics. It says that of all foreign mission contributions, "10 cents in each dollar goes abroad, while it takes 90 cents to collect and send it." It never was true of any society. The truth about our Society is, that of every dollar, 94 cents reaches Africa, and about  $2\frac{1}{2}$  cents is used in printing information, while  $1\frac{1}{2}$  cents is all that is used in executive expense! Let this fact be repeated often and widely!

#### INCIDENTS AND ITEMS.

Recently Kanjundo, chief of Ciyuka, 20 miles from Chis-amba, promised to build a school house of his own accord. He

had sent some boys to a Portuguese school at the coast, and they had brought back only a thirst for rum. Now he sees that the mission school is far the best. On Mr. Currie's last visit, he found the sticks cut and trimmed for the frame, and the chief is making the *nails* himself. They write that it is touching to hear the lads pray for him in the meetings. It indicates a great change in the minds of the people; because formerly this chief laughed at the mission, and spoke of the white men with contempt.

The father of Sambumbula, one of the school boys, died recently; being chief of his village. The lad went to the funeral; and after it the old men gathered around him, and insisted that, as oldest son, he must now take his father's place, with his goods and honors. They pressed him very hard. There was position and wealth offered to him, but he would not accept; because they would lead him into great temptation, and keep him where he would not hear the words of God that he loved so much. Is not that the kind of Christians it is worth giving our money to make?

Wanga is a bright boy about 13 years old, son of the chief of Ciyuka. He has been with the mission two years and a half; and is home-boy to the ladies; being specially devoted to Miss Maggie Melville. They say he is a born gentleman. A few months ago he went back on a visit to his father's village, where there is not one Christian. His father returned to Chisamba with him, very much pleased with Wanga's literary attainments. He said, "I went into the house one night; and there was Wanga, with some others he had gathered around him, reading the Bible, and praying with them." Think of it! a little thirteen-year-old fellow, in a village where no one loved Jesus Christ! That is the kind of material they are fashioning in Chisamba schools!

#### OTHER FIELDS.

While so much of our thought is taken up with Africa, we do not forget other fields to which our churches have contributed money and men. We do not need to make a catalogue of the beloved missionaries whom we follow with our love and prayer. In Turkey, Japan, Ceylon and China they are doing splendid service.

A new one has recently gone out. Rev. C. R. Ashdown,

B.A., from Zion Church, Toronto, after completing his course in McGill and the Congregational College, was ordained in Emmanuel Church, Montreal, the last of May. And now he goes under the A. B. C. F. M. to Bitlis, Eastern Turkey, to take the place of Rev. Mr. Ellis, a gallant worker who fell in the exhausting struggle to help the Armenian Christians endure persecution and poverty.

We are further trying to gather a Canadian alcove of books for the Theological Library where Rev. Fred. Macallum is teaching. Books and money may be sent to our Treasurer.

## TREASURER'S ANNUAL REPORT.

*Year ending June 1, 1897.*

---

MR. CHAIRMAN AND FRIENDS:—

It is with much pleasure that your Treasurer submits the annual financial report. Our total is somewhat smaller than last year's high-water mark of \$3,121 00, but we have not had the \$600.00 Chisamba Building Fund nor the legacies of \$400.00, which went to make up that sum. The large amount for India and Armenian Funds, \$480.00 helps the total this year, but when all extras are deducted from each year, the regular contributions from the churches are ahead of last year by \$160.00.

Ontario has increased \$369.03 (largely for special objects), Quebec has decreased \$206.58 (largely in legacies), the Maritime Provinces decreased \$14.70, and miscellaneous contributions decreased \$212.84 (owing to large legacies last year).

In Ontario, 27 churches; in Quebec, 1 church; in Maritime Provinces, 10, and in the North-West, 5 churches sent nothing through this Society, a total of 43 from whom nothing was received.

The banner church this year has been the Northern Church, Toronto, with a total of \$185.66; Montreal, Calvary, \$179.70;

Montreal, Emmanuel, \$176.50; Embro, \$160.00; St. Andrews, \$121.88; Toronto, Zion, \$103.00, and Sherbrooke, \$102.00, being the only others whose contributions passed \$100.00.

In our regular work we have paid all expenses for the year and reduced our debt to the American Board from \$802.24 to \$63.40, and if three amounts, usually in before the closing of the books, but this year sent in just too late, had been received earlier, we would have ended the year out of debt.

It is a pleasure to notice the increasing use made of the Foreign Missionary Society for the remittance of funds for special objects, thus enabling the Treasurer each year to present a more accurate statement of all the Foreign Missionary gifts of all the churches. It has been a pleasure to forward \$126.25 for the Armenian Relief through our own American Board, \$14.00 of this in care of our friend, Rev. F. W. Macullum. Also for the Indian Famine Relief Fund, \$355.10 has been sent, partly through the American Board, partly to the "Star," some through Mr. A. M. Smith, of St. Catharines, whose son is a missionary in India; and \$170.98 through the London Missionary Society. This last was an especial pleasure to your executive, as enabling them to manifest their desire, when possible, to work with that grand old Society and our Congregational brethren in Great Britain.

For the Canadian Alcove in the Marash Library, we have as yet received only one of the books listed in the *Congregationalist*, and \$25.00 in cash. We desire that more of the books should be given, and also that friends who have not the books to give, will send us gifts of money that will enable us to buy those not given directly.

For Mr. Currie's gristmill we have received some \$28.00, but must await further correspondence with Mr. Currie before deciding definitely. We can not tell with the information at our command what kind of mill it is best to send out. In the enquiry your Treasurer has received very great assistance from Mr. Jas. Goldie, of Guelph. A 20 h. p. engine, boiler and roller mill, with 2 sets of steel rolls would cost f. o. b. in Ontario \$1,300.00, and for freight to Africa perhaps as much more. We think that something smaller and less expensive than this will be better.

Nearly \$300.00 has been sent to the Industrial School for support of boys, but they have, in addition to their schooling

and the large share of time given to evangelistic work, repaid the station in building and repairs about all the cost of their support. Mr. Smith, formerly of the Lovali mission, is with them for a year as instructor, but his expense will be met by the work turned out.

The amount for Rev. Jas. Smith, Ahmednagar, comes from friends in Broadview Ave. Church; that for the Navenmore teacher from Calvary S. School, Montreal; and for the Madura teacher from Yarmouth W. M. S.; for the Leper mission from the St. Catharines S. S.

Now as to our prospect's next year. We have raised this year for regular work about \$1,900.00. We have still for next year \$63.40 balance of our debt to raise, and about \$1,300.00 for the support of Mr. and Mrs. Currie, printing and insurance. But we hope to send out two new missionaries next year, which means \$1,500.00 for outfit and travelling expenses, and \$1,100.00 a year after their arrival there. So that we need to raise \$2,850.00 next year, or an increase of over one-third. When this is done we will have a fully equipped station of which we may be proud. With Mr. and Mrs. Currie, the Misses Melville, and a missionary physician and wife, Chisamba will be able to increase its present power and usefulness. But one good station, like a good sample, creates a demand for more, and already the cry comes for stations at other places, and the needs of Africa repeat to us the Master's forward call, "Go ye into all the world and preach the gospel to every creature."

The members of the Society shall be:—

1. *As Beneficiary Members.*—Ministers duly received by the Society through either of the branches hereinafter mentioned, and retaining their membership in connection with either fund in accordance with its by-laws.

2. *As Life Members.*—Any person not being Beneficiary Members, who shall have paid to the fund Twenty Dollars at one time.

3. *As Annual Members.*—Churches collecting for the fund, to be represented at the annual meeting, or at any special meeting held in the year following the payment of their collection, by one delegate, who shall not be a Beneficiary Member.

#### II.—ADMISSION OF BENEFICIARY MEMBERS.

1. Any Congregational Minister in British North America who is in good standing in the denomination, and the Pastor of a Congregational Church, or a Missionary, or a Professor in the Congregational College of Canada, may be admitted as a Beneficiary Member of either branch of the fund by a majority of four-fifths of the members present, and voting by ballot at an annual meeting of the Society, such receptions to be confirmed by the Board of Directors before taking effect; or by a majority of four-fifths of the Directors present, at any meeting of the Board, subject, however, to confirmation, on the same majority, by the Society at its next annual meeting.

2. Before confirming the admission of any applicants, the Board of Directors may, if they think it necessary, make enquiries concerning their general health; and if the result of their enquiries proves unsatisfactory, the Directors may, either decline to confirm the reception, or require such additional remuneration as, in their opinion, would be sufficient to cover the extra risk.

#### III.—TERMINATION OF BENEFICIARY MEMBERSHIP.

1. Any Beneficiary Member, not an annuitant, ceasing to reside in British North America, shall thereby lose beneficiary claim on either fund, but the amount of his annual subscription to the Widows' and Orphans' fund shall be placed to the credit of his family, under condition of article No. 13, then to accumulate with interest at the rate of six per cent. per annum until his death, when it shall be paid to such person or persons as may be lawfully entitled to receive it. Beneficiary members of the Retiring Ministers Branch, ceasing to reside in British North America, shall cease to have beneficiary claim, but may, in special cases, receive relief from the fund to the amount of their subscriptions to the fund.

2. Any Beneficiary Member, leaving the Ministry or the denomination, or ceasing to be in good standing, shall thereby forfeit all claim upon the fund, unless he has been a member for five years; but after having paid in five years' annual subscriptions he shall have the privilege of withdrawing from the Society, and receiving as surrender value of his claim on its fund, two-fifths of the amount of the premiums paid in by him.

3. Any Beneficiary Member who may have been connected with the Society, as such for a period of not less than ten years, and who has paid all his annual premiums may, if he so desires, withdraw his membership from the Society, and claim a refund of two-fifths of the amount of the premiums paid in by him.

#### IV.—RE-ADMISSION OF BENEFICIARY MEMBERS.

1. Any member returning to British North America (if permitted to

resume his connection with the Widows' and Orphans' Branch) shall pay all arrears and an additional rate of 20 cents per annum for each year of his absence, and the amount accumulated to the credit of his family shall relapse to the fund.

2. Any member resuming his connection with the Retiring Ministers' Branch shall do so on conditions to be arranged by the Directors.

#### V.—MEETINGS.

1. An annual meeting of the Society shall be held at the same time and place as that of the Congregational Union of Ontario and Quebec, at which a report from the Directors, and the Treasurer's accounts shall be presented, Directors elected for the ensuing year, new members admitted and any other general business of the Society transacted.

2. Special meetings of the Society may be held at its pleasure, expressed at any meeting thereof, or at the call of the Directors.

3. Beneficiary members, in connection with either branch of the Fund, shall be entitled to attend and vote at all meetings of the Society.

4. In case of a division, a majority of two-thirds shall be necessary to constitute a vote.

#### VI.—MANAGEMENT.

1. The funds of the Society shall be held and managed by a Board of ten Directors (five to form a quorum) residing in or near the City of Montreal, to be elected annually by the Society.

2. The Directors, when elected, shall, from their own number, choose a Chairman, Deputy-Chairman, Treasurer and Secretary, and may make such standing rules for their own guidance (not being inconsistent with the Act of Incorporation and its amendments or by-laws), as they may deem needful, subject to the approval of the Society at the next annual meeting.

3. They shall also have power to fill vacancies in their own number, shall be eligible for re-election, and shall hold office until their successors are appointed and assume their duties.

#### VII.—INCOME AND INVESTMENTS.

1. The funds of the Society shall be derived from Annual Church Collections, Subscriptions, Donations and Legacies, the rates paid by Beneficiary Members, and the proceeds of investments.

2. The amount received for Church Collections, or otherwise contributed for the general purposes of the Society, shall be divided, half to the Widows and Orphans' Branch, and half to the Retiring Ministers' Branch; but money contributed from any source, and especially designated for either Branch, shall be so applied.

3. The Funds shall be invested only in undoubted securities to be held on the Society's behalf by the Chairman or Deputy-Chairman, and the Treasurer in the name of the incorporated Society.

4. Any investments or transfer from one investment to another shall be made only by vote of the Board.

5. The Treasurer shall give such security to the Board for the funds in his possession as they may from time to time require.

#### VIII.—DISPUTED CASES.

In the case of any dispute arising between Beneficiary Members or Annuitants, and the Directors of the Society, each party shall choose an arbitrator, and these, if necessary, an umpire, whose decision shall be final.

#### IX.—REVISAL OF RATES AND ANNUITIES.

The amount of the rates of premium and annuities shall be reconsidered at each fifth annual meeting, reckoning from that held in 1863, and should any re-adjustment be needed, such re-adjustment shall not be deemed to be a violation of good faith by any parties whatsoever.

#### X.—ALTERATION OF BY-LAWS.

The By-laws of the Society may be enacted, amended or repealed at any annual meeting, provided that notice to such effect has been given at the previous annual meeting. But this shall not apply to the case provided for in By-Law IX.

#### XI.—WIDOWS' AND ORPHANS' BRANCH.

The balance of the funds of the Widows' and Orphans' Branch, together with subscriptions of Beneficiary Members and available proceeds of Church Collections, Subscriptions, Legacies, etc., with interest, and the interest on the endowment Fund, shall be placed to the credit of an account to be called the Widows' and Orphans' Fund, and shall be available for payment of all annuities as prescribed under By-Law No. 13.

#### XII.—BENEFICIARY SUBSCRIPTIONS.

The following shall be the scale of rates, payable annually, by Beneficiary Members of the Widows' and Orphans' Branch :—

If not paid within twelve months, due notice having been given by the trustees, the minister so in arrears shall be held to have withdrawn from connection with the fund.

7. Any Beneficiary Member who shall have paid thirty annual premiums, according to the above assessment, shall be exempt from further subscriptions, and shall maintain his status as a Beneficiary as before.

The following shall be the scale of rates, payable annually, by Beneficiary Members of the Retiring Ministers' Branch :—

1. By those received under thirty years of age, and by Alumni of the Congregational College of Canada, subscribing within twelve months from the date of their ordination, Four Dollars per annum.

2. Those received over 30 and under 35 years of age, Five Dollars per annum.

#### XVI.—EQUITABLE ANNUITY.

1. Beneficiary Members of this Branch having attained the age of 65 years, and having been compelled to resign the active duties of the ministry, shall be entitled to an annuity of \$100 for life, payable quarterly, from the Equitable Fund; but should there be any good or sufficient reason why it should not be paid—of which reason the Society shall be the sole and sufficient judge—it shall not be paid, anything in those by-laws to the contrary notwithstanding.

2. It shall be competent for the Society, on recommendation of the Directors, to increase the annuity of any Beneficiary Member by a special or annual grant, not exceeding the sum of \$100 per annum additional, and said grant may be made for life, by regular vote, after twelve months' notice given at any annual meeting of the Society.

3. Should the income of either the Equitable or Charitable Fund not be sufficient for the payment of annuities for which it is liable, it shall be right and proper for the Society to make such reduction, *pro rata*, on all annuities as will cover the deficiency, anything in these by-laws to the contrary notwithstanding.—See *By-law xviii., Clause 2.*

#### XVII.—CHARITABLE FUND.

1. 2. After \$1,000 is secured, one half of said Subscriptions, Collections, etc., shall be reserved to constitute an Endowment Fund, until the sum of \$5,000 has been secured.

3. The other half with the proportion of interest due to this account, shall be available for grants or annuities; but should the income in any year exceed the disbursements of that year, the surplus, after allowing a small balance for contingencies, shall be added to the Endowment.

#### XVIII.—CHARITABLE ANNUITIES.

1. The Society may, from the Charitable Fund, make special or annual grants to an aged or infirm Congregational Minister, laboring in B. N. A., though not a Beneficiary Member.

2. Should the Equitable Fund be not sufficient for the claims of annuitants it shall be proper to supplement that Fund from the Charitable Fund.

## FORTIETH ANNUAL REPORT OF THE CONGREGATIONAL PROVIDENT FUND SOCIETY.

THE Directors in presenting the Fortieth Annual Report of the Society, have no special features to report. There is a steady, if slow, increase in the accumulated funds. The increase in the Widows' and Orphans' Branch is very satisfactory, but that of the Retiring Ministers' Branch is not so large as it might be; and I would like to draw your attention to the needs of this branch. For some years we only had one annuitant, but last year we had three, and the fourth has just been added to our number; and unless the subscriptions from the churches to this branch are increased, there will be very little surplus at the end of another year.

When subscriptions are received without stating any particular branch, the amount is equally divided between the two.

Mrs. Wheeler, who had been an annuitant since 1878, died on the 15th June last; her husband had paid into the Society \$215, his widow received \$1775.

The Rev. W. H. Allworth who had completed his thirty annual payments in 1887, departed this life the 29th October last at Lansing, Mich., of heart failure. He had just spoken at the prayer meeting of Plymouth Congregational church, when he was called away. His widow becoming an annuitant from 1st November last.

The Rev. John Wood has been accepted as an annuitant from 1st August next.

The Rev. Mr. Sykes has completed his thirty years payments in the W. and O. Branch.

The surplus in the W. and O. Branch is \$729.58, somewhat smaller than last year; but there are arrears of Interest not yet received, which would have made it equal.

In the R. M. Branch the surplus is very small, only \$52.68.

There are two causes for this: first, a reduced number of Beneficiaries, and arrears of interest and premiums.

The officers of the Society would once more urge the claims of this Society on the churches, even if your pastor does not see his need of becoming a member. Think of the number of ministers to whom such a means of providing something for their families in case of their death, would be a great comfort. And they would also urge the ministers to consider whether they should not join; it is the cheapest and safest insurance to be had.

Following the suggestion made at the annual meeting last year, the Secretary sent a circular to each church at the close of the year, asking for a collection on the first Sunday in the new year; an increased number complied with the request.

The following churches having remitted to the funds of the Society during the past year, are entitled to be represented by one delegate:

ANNUAL MEETING.

---

The Eleventh Annual Meeting of the Woman's Board was held in Zion Church, Lanark, Ont., June 2nd and 3rd, 1897. The President, Mrs. Macallum, opened the meeting by reading the 103rd Psalm, and prayer. In her remarks she struck the key-note of the Convention—"Thanksgiving and Victory."

Miss James, of Montreal, was appointed Minute Secretary, and committees were appointed. The devotional hour on Wednesday was led by Miss Dougall; on Thursday by Mrs. (Rev.) J. H. Barnett. On Wednesday evening Mrs. Robert Freeland gave an illustrated talk on "Our African Mission"; and on Thursday afternoon Mrs. Currie, of Toronto, exhibited and explained a number of African curios. Mrs. Moodie and Miss Graham (returned missionary from Turkey) addressed a gathering of children; and on Thursday evening Miss Graham gave an excellent description of life in Turkey to a large audience.

Papers were read on "Home Missionary Work in the City," "Home Missionary Work in the Country," "What is the Relation of Temperance to Church and Missionary Work?" "Branch Meetings," and "Systematic Giving." The "Year Book Symposium," and "Home Missionary Map Exercise," were very instructive. Letters from Mr. Currie and the Misses Melville, of Chisamba, and Miss Barker, of Constantinople, gave the latest news from the field.

On Thursday morning the officers were elected for the coming year (see list of officers).

The following resolutions were adopted:—

1. To retain the Misses Melville as our missionaries.
2. To pledge \$600 to the C. C. Missionary Society.
3. To continue the \$70 scholarship in Miss Macallum's school, Smyrna, Turkey.
4. To pay \$15 to the *Congregationalist*.
5. To continue the *Monthly Leaflet*.
6. To assume our share of expenses of Chisamba station.

7. To provide Mrs. Ross' outfit for Africa.
8. Recommend that the hospital at Chisamba be begun this year.
9. Remind Auxiliaries that shares can still be taken in the Chisamba Building Fund.
10. Recommend General, Branch and Local "Superintendents of Departments."
11. A letter to be sent to Mission Bands.
12. Thank-offering envelopes and circular to be sent to the churches.
13. Urge treasurers to be prompt in forwarding moneys.
14. Advise auxiliary and branch officers to be elected before annual Board meeting.
15. To print 1,500 reports.
16. Ask for a new edition of Mr. Hill's Leaflet of 1894.
17. Sympathy with Rev. B. B. Williams in his bereavement.
18. Thankfulness to God for His blessing upon our work.
19. Thankfulness that Mrs. Macallum's son and daughters have been kept safe through perilous times in Turkey.
20. Thankfulness that our missionaries are still spared in Africa.
21. Sympathy with Mrs. Sanders in her bereavement.
22. Thanks to Mr. Hill for gift of map.
23. Recommend auxiliaries to send delegates to annual meeting.
24. Appreciation of Miss Graham's services.
25. Thanks to the Lanark friends.
26. To accept invitation to meet in Paris next year.

An invitation being received from the Congregational Union to occupy one morning's session at Kingston, eight ladies were appointed as delegates to represent the Board.

THE Twentieth Annual Meeting of this Society took place in Milton, Queen's County, N. S., opening July 8. The first business session opened at 10.30 a.m., with Mrs. N. Officers present were, Mrs. Tupper, First Vice-President; Mrs. C. H. Dearborn, Treasurer; Mrs. S. W. Burns, Corresponding Secretary. Visitors and delegates were present from Sheffield and St John, N. B. and from Yarmouth, Truro, Lower Selmah and Noel, Brooklyn, Liverpool and Milton, N. S.

Reports were received from the Secretary-Treasurer, and Committees appointed at the last annual meeting.

The Treasurer reported an increase in gifts compared with last year's receipts. Committees had taken action on instructions received on appointment.

On Friday, at 2.30 the public meeting took place. On motion of Mrs. N. Tupper, which was carried unanimously, Miss

Burpee took the chair, Mrs. F. H. Hutchinson, of Milton, acting as Secretary. A very interesting meeting followed. The address of welcome was given by Miss Florence Freeman, of Milton, and responded to by Mrs. Johnson, of Yarmouth, who also read the President's Address. Mrs. H. McLeod, of Brooklyn, read a paper on "Voices of Nature." Mrs. Dearborn, of St. John, one on "Doing what we can for the Master." Mrs. N. McLeod, of Brooklyn, soothed our weary souls with sweet singing, and the Revs. Sykes and C. Duff, delegates from the Union, spoke encouraging words.

The principal business transacted at this annual meeting, was the formation of a Woman's Board of Missions. A copy of the New Constitution will be presented to the Auxiliaries later, for approval or rejection, as the Lord shall lead them.

After agreeing to ask the Union for a few minutes to the President to make a further presentation of the matter of the *Congregationalist*, the meeting adjourned.

W. W. SMITH,  
Secretary.

## REPORT OF DIRECTORS.

The Directors congratulate the churches on the increasing value and acceptability of the *Congregationalist*, as the weekly organ of the churches and the denomination, under the editorship of Rev. J. P. Gerrie; and we consider this a proper opportunity to urge a larger circulation of our paper. Measures will be announced, during the present meetings of the Union, to obtain some practical results in this direction.

The YEAR BOOK, under the same editorial supervision as for some years past, occupies a useful field, and is considered by us all as indispensable to our proper church-work. We thereby are able, as it were, to take each other by the hand, and know of each other's welfare. The circulation has been larger than last year, and it has practically paid its own way. In a number of cases, where a few copies were sent to churches from whom no order had been received, the Directors hope they will not be charged with officiousness, but rather be credited with a desire to supply a little neglect on the part of the brethren. We would rather, however, receive a distinct order for copies from each individual church on the list.

The three years, for which Mr. C. Blackett Robinson took over the *Canadian Independent*, now "*The Congregationalist and Canadian Independent*," are nearly expired; and the Publisher makes certain offers for its continued issue. In the temporary absence of the Publisher from the Province, the matter cannot be brought to a definite conclusion; and the Directors suggest that the incoming Board be empowered to make the best arrangements available, for the publication of the *Congregationalist* from the First of July.

The Directors desire to express their exceedingly cordial and friendly estimate of the business courtesy, honorable dealing, and satisfactory work, on the part of the present Publisher. Also, their high appreciation of the talent, skill and industry of our much-esteemed Editor, Rev. John P. Gerrie.

The accounts, duly audited, are hereby presented. All which are respectfully submitted.

On behalf of the Board,

W. W. SMITH,

St. Catharines, June 4th, 1897.

## APPENDIX.

---

### CONGREGATIONAL UNION

OF

### Nova Scotia and New Brunswick.

---

#### REPORT OF STATISTICAL SECRETARY.

---

One worker is taken away in the midst of his labor, and another is called to his vacated place. Rev. Jas Shipperley can no longer give us statistical reports in his own characteristic manner, but a younger and less experienced man must for the present do the work of Statistical Secretary. However, confident in the kindly forbearance of Congregationalists, and persons interested in the work of Congregationalists, he ventures to give a little compendium of work, as gleaned from reports from churches connected with the Union of Nova Scotia and New Brunswick.

One church, situated in Kingsport, by the renowned Minas Basin, has entered upon her 137th year. Next in age comes Liverpool church, which is in her 136th year; followed by the church at Sheffield, N.B., in her 134th year; and the church at Chebogue, in her 130th year. Others follow from early in the present century down to 1891, when a church was started in Truro.

Nine pastors are now in active service, serving in the gospel to fourteen churches, besides outlying stations. To account for the startling decrease in membership this year, as furnished by the reports from the churches, some notice will be taken of the lessening of membership in one church by thirty-seven. On good authority it is stated, that the church has not transferred

its allegiance, but still remains Congregational ; and we hope that some, if not all, of the thirty-seven, will come back to the good old way. Another hard fact to be faced by nearly all the churches of this Union, is the removal to other places of so many of their members ; the number for this year totalling for ten churches to 187. Something other than "alien labor laws" are needful for keeping even church members at their respective homes.

Sunday School work, and Christian Endeavor Societies, flourish in connection with the majority of the churches which have reported ; and both features of church activity have now to be recognized at the Union Meetings annually ; one or two meetings being devoted to each. An increase in the number of baptisms, especially of adults, is recorded this year, a fact which is significant, when seven churches report 35 baptisms as against 10 last year.

Church properties are valued at \$70,950 ; (probably two or three thousand more) ; and seating capacity, without crowding, for over 5,000 persons : the greatest need apparently being an influx of people where Congregational churches are situated. Only four churches report any debts in connection with their church buildings ; and each of these is either nearing the extinction, or bravely moving to extinguish their respective debts.

Church finances do not present as favorable a showing as they might ; but as the amounts given for local church objects in some instances are so low, it is evident that some mistake in figures has been made in the supplying of these figures. [Church clerks take note, and endeavor to know and record the amounts spent for and by your respective churches].

Thirteen churches report contributions for the C. C. M. S. ; eight churches for the C. C. F. M. S. (or other foreign missionary work) ; five churches for the C. C. College. Perhaps in this connection the writer might urge the matter he introduced at Keswick Ridge in 1896, and which was kindly reiterated by others at Milton in 1897 ; and that the formation of a Triennial Council, Conference, or Union, become an actuality at no distant date. *Wisdom* from the East and *Enterprise* from the West can surely be united !

My dear Dr. Hays.

I received the Report with much pleasure  
They are a worthy memorial of a great Council -

The Union of Ontario & Quebec has done well the  
action of the Canadian Delegation in receiving the Council's trust  
and letter is valuable, and as the same time made me characterize

of the Province of Canada. It is as far as we are concerned. Dr.  
George and his friends are the other members. We are now waiting  
for the reaction, but I shall give the matter my attention this fall,  
and as I see from page 281 that you have been appointed Secretary  
I shall hope to have the pleasure of conversing with you later  
in a way which would be very pleasant.

P.S. I have distributed the copies you have given me. Yours sincerely  
J. H. Warriner.

The rapid progress being made by THE SUN LIFE OF CANADA may be seen from the following statement :

The year 1896 was the very best in the business experience of the SUN LIFE ASSURANCE COMPANY of Canada. The fact that the Dominion was in a condition of uncertainty and unrest owing to the Federal elections, rendered it very difficult to secure business, but notwithstanding this great impediment, the Company's record for the year shows a large increase over all previous years. The summary of the report for 1896, as given above, is well worth reading. It represents a good year's work and denotes prosperity and a healthy growth. The total income for the year amounted to \$1,886,258, an increase of \$358,203.91 over the previous twelve months. A splendid addition has been made to the assets, which now amount to \$6,388,144.66. The increase for the year is \$1,022,374.13—a remarkable showing indeed. The surplus over all liabilities is \$345,108.65. The valuation of all policies is now made on the Hm. four per cent. basis, instead of four and one-half, (as authorized by the Government) thus increasing reserve on policies by \$1,198,184.44. The death rate was again below the expectation, which goes to prove that the management has shown great care in the selection of risks.
